

Thank you for helping us provide care for the horses and foals seized from Witts End Quarter Horses. If you would like to make a donation towards their upkeep, the following items are requested:

- Nutrena® Senior Feed
- Beet Pulp pellets
- Alfalfa pellets
- Electrolytes specific for horses
- Coastal Bermuda or Alfalfa hay
- Wood shavings for bedding (fine or flakes)
- Foal halters
- Lead Ropes
- Round pen panels
- Feed pans (rubber) for horses
- Gift cards to Tractor Supply are also very useful for any additional items needed
- We can also use dog and cat supplies (food, litter, toys, etc.) for our other shelter friends.

Please understand other types of feed or equipment may not be suitable for these horses. Cumberland County Animal Services cannot guarantee items will be used for these horses. We will make every attempt to use all donations for animals at CCAS. Items that cannot be used will be donated to another appropriate organization.

Items may be shipped to or dropped off at 4704 Corporation Drive, Fayetteville NC 28306 during business hours, Monday through Friday from 11 a.m. – 5:30 p.m. and Saturday from 1 – 5 p.m.
