# Eligibility

## Eligible Employees:

You may enroll in the County of Cumberland, North Carolina Employee Benefits Program if you are a Full-Time employee working at least 30 hours per week. All permanent employees who work 20 or more hours per week will be enrolled in Employer Paid Life & AD&D.

## Eligible Dependents:

If you are eligible for our benefits, then your dependents are too. In general, eligible dependents include your spouse\* and children up to age 26. If your child is mentally or physically disabled, coverage may continue beyond age 26 once proof of the ongoing disability is provided. Children may include natural, adopted, stepchildren and children obtained through court-appointed legal guardianship.

\*Note: If your spouse is currently eligible under their own employer's health insurance, they are not eligible to be enrolled in the County's medical plan. If your spouse does not have a medical plan available as a benefit of employment, you must submit a **Spouse Employment Affidavit** to add them to your medical plan.

## When Coverage Begins:

The effective date for your benefits is July 1, 2022. Newly hired employees and dependents will be effective in County of Cumberland, North Carolina's benefits programs on date of hire for medical benefits, and the first of the month following date of hire for all other benefits. All elections are in effect for the entire plan year and can only be changed during Open Enrollment unless you experience a family status event.

## Family Status Change:

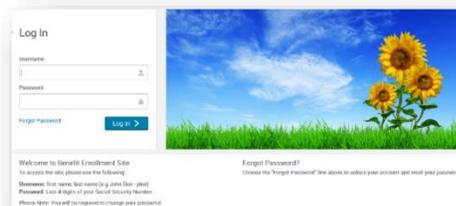

A change in family status is a change in your personal life that may impact your eligibility or dependent's eligibility for benefits. Examples of some family status changes include:

- Change of legal marital status (i.e. marriage, divorce, death of spouse, legal separation)
- Change in number of dependents (i.e. birth, adoption, death of dependent, ineligibility due to age)
- Change in employment or job status (spouse loses job, etc.)

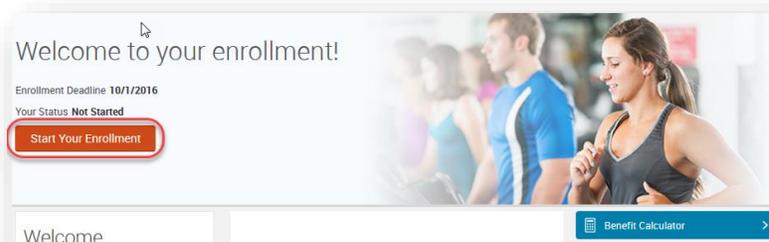

If such a change occurs, you must make the changes to your benefits within 30 days of the event date. Documentation may be required to verify your change of status. Failure to request a change of status within 30 days of the event may result in your having to wait until the next open enrollment period to make your change. Please log into the **Bswift Self-Service benefit portal** within the timeframe allotted to request these changes.

# Health Reimbursement Arrangement (HRA) also known as the County “Deductible Reimbursement Account”

## What is an HRA?

An HRA is a medical reimbursement plan funded by Cumberland County and designed for reimbursement of medical plan services that are subject to the deductible once you have satisfied the first half of your deductible (\$1,000). **All county employees enrolled in our BCBS Medical plan are automatically enrolled and eligible for the Deductible Reimbursement Account from July 1, 2022 – June 30, 2023.**

## How does deductible reimbursement work?

The HRA will reimburse deductible eligible expenses up to the following maximums:

- **Individual Coverage:** You will be responsible for the first \$1,000 of your plan’s deductible and your HRA will reimburse you for the next \$1,000 of your plan’s deductible.
- **Family Coverage:** Deductibles are applied individually per family member and each participant is responsible for the first \$1,000. The maximum reimbursement any covered family member can receive is \$1,000.00. Family coverage is reimbursed per individual up to 3 covered members.

## How do I log into my online account?

Go to [www.sentinelgroup.com](http://www.sentinelgroup.com) and select “Login” at the top of the page and then “Individuals.” From the Login dropdown menu, section, select “FSA or HRA” Once you are on the login page, click “Create your new username and password” under “New User?” Complete the registration steps by confirming your information and then setting up your username and password.

**Note:** If you are currently enrolled in the FSA plan through Sentinel and have already established a login to the Sentinel portal, you will use those credentials to access your online account for both your FSA and HRA.

## How do I set up my account for direct deposit reimbursement?

Once you have registered your online account, you may log in at any time to check your balance, view important plan messages, and update your reimbursement method.

To update your account to receive direct deposit reimbursement, log in and click “Profile” on the top navigation menu. From there, choose the “Banking/Cards” option, click “Add Bank Account,” complete the banking information, hit “Submit.”

## How do I file a claim towards my HRA?

Once you have started to incur claims against your medical plan deductible, you can begin submitting claims to Sentinel. Please note, however, that you will not begin to receive reimbursement through the HRA until you and/or your family members satisfy the amounts listed in the “How does reimbursement work?” section above. When the time comes to enter a claim, log into the Sentinel portal. Follow these steps to complete your claim submission:

1. Go to the “I Want To” section, select “File A Claim”, then in the “Pay From” section, select “Medical.”
2. On the next screen, click “Upload Valid Documentation.” You will want to have scanned and saved a copy of your Explanation of Benefits (EOB\*) from BCBSNC on your computer. Browse to find the image of the EOB, open, and Submit. Once the documentation has been added, click “Next.”
3. Enter key information regarding your claim, including Date(s) of Service, amount of the service, the name of your medical provider, and the category. To file a claim towards your HRA, select “HRA – Medical Expense” for the Category and “HRA – Medical Deductible” for the Type. Choose the member of your plan to whom the claim applies. Click “Next.”
4. On the “Transaction Summary” page, select “Submit”. If you are in the accumulation phase of your HRA, no payment will be issued. If your claim is approved and you are in the payment phase of your HRA, your reimbursement will be issued on the following Friday. Sentinel will send payment to the bank account on file if you have set up your account for direct deposit reimbursement (instructions above). If you have not set up your account for direct deposit, Sentinel will mail a check to the address that we have on file.

\*Per HRA Guidelines, Sentinel is required to receive the EOB related to your deductible claim as proof you have met the first \$1,000 before reimbursement can begin, and to verify claims for reimbursement thereafter.

## What if I am also enrolled in a Medical FSA along with my HRA?

If you are in the accumulation phase of your HRA (the first 50% of your deductible or \$1,000), and want to be reimbursed for deductible claims from your Medical FSA, log into the Sentinel portal and follow these steps below to complete your claim submission.

1. Go to the “I Want To” section, select “File A Claim”; then in the “Pay From” section, select “Medical.”
2. On the next screen, click “Upload Valid Documentation.” You will want to have scanned and saved a copy of your supporting claim documentation on your computer. Browse to find the image of the documentation, open, and Submit. Once the documentation has been added, click “Next.”
3. Enter key information regarding your claim. If you are submitting a deductible claim towards your FSA, select “FSA – Medical Expenses” for the Category and “Medical Deductible” for the Type. Choose the member of your plan to whom the claim applies. Then click “Next.”
4. On the “Transaction Summary” page, select “Submit” in order to submit your claim to Sentinel.

# Flexible Spending Accounts

The Flexible Spending Account (FSA) plan with County of Cumberland, North Carolina allows you to set aside pre-tax dollars to cover qualified expenses you would normally pay out of your pocket with post-tax dollars. The plan is comprised of a health care spending account and a dependent care account. You pay no federal or state income taxes on the money you place in an FSA. The plan is administrated by **Sentinel Benefits**.

## How an FSA works:

- Choose a specific amount of money to contribute each pay period, pre-tax, to one or both accounts during the year.
- The amount is automatically deducted from your pay at the same level each pay period.
- As you incur eligible expenses, you may use your flexible spending debit card to pay at the point of service OR submit the appropriate paperwork to be reimbursed by the plan.

## Important rules to keep in mind:

- The IRS has a strict “use it or lose it” rule. If you do not use the full amount in your FSA, you will lose any remaining funds.
- Once you enroll in the FSA, you cannot change your contribution amount during the year unless you experience a qualifying life event.
- You cannot transfer funds from one FSA to another.

2022 IRS Maximum Election Limit	
Health Care FSA	\$2,850
Dependent Care Account	\$5,000

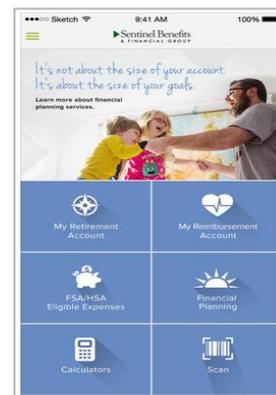

Please plan your FSA contributions carefully, as any funds not used by the end of the Grace Period will be forfeited. Re-enrollment is required each year.

## Plan Guidelines:

- **Plan Year:** Runs from July 1<sup>st</sup> through June 30<sup>th</sup> each year.
- **Grace Period:** An additional 2 1/2 months to incur services, to September 15<sup>th</sup>.
- **Last day to submit claims:** 30 days after the grace period ends, until October 15<sup>th</sup>.

## To pay at the point-of-service, use the Benny Card.

- Cards are good for 3 years.

# Changes in Benefit Elections

## Open Enrollment:

With few exceptions, Open Enrollment is the only time of year when you can make changes to your benefits plan. All elections and changes take effect on the first day of the plan year. During Open Enrollment, you can:

- Add, change, or delete coverage
- Add, or drop dependents from coverage
- Enroll, or re-enroll in dependent or health care flexible spending accounts. To continue your FSA benefits, you must re-enroll each plan year.

If you do not make your annual benefit elections, you will automatically be defaulted to your prior year elections, except for the FSA, which will default to zero (\$0) elections.

# REQUIRED NOTIFICATIONS

## Important Legal Notices Affecting Your Health Plan Coverage

### THE WOMEN'S HEALTH CANCER RIGHTS ACT OF 1998 (WHCRA)

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Therefore, deductibles and coinsurance apply as noted in this Benefit Guide.

### NEWBORNS ACT DISCLOSURE - FEDERAL

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

### NOTICE OF SPECIAL ENROLLMENT RIGHTS

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Further, if you decline enrollment for yourself or eligible dependents (including your spouse) while Medicaid coverage or coverage under a State CHIP program is in effect, you may be able to enroll yourself and your dependents in this plan if:

- coverage is lost under Medicaid or a State CHIP program; or
- you or your dependents become eligible for a premium assistance subsidy from the State.

In either case, you must request enrollment within 60 from the loss of coverage or the date you become eligible for premium assistance.

To request special enrollment or obtain more information, contact person listed at the end of this summary

### PATIENT PROTECTION DISCLOSURE

You do not need prior authorization from **BCBSNC** or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals.

## NOTICE REGARDING WELLNESS PROGRAMS, ADA & GINA

The County of Cumberland, North Carolina wellness program is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will also be asked to complete a **biometric screening**, which will include a blood test for cholesterol ratio and glucose level, as well as waist circumference and blood pressure reading. You are not required to participate in the blood test or other medical examinations.

However, employees who choose to participate in this wellness program can receive **lower employee contributions for their medical premiums** for completing the screening and meeting certain biometric levels. Although you are not required to participate in the biometric screening, only employees who do so will have the opportunity to qualify for reduced medical premiums.

The information from the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks and may also be used to offer you services through the wellness program, with the Health Coach in the Employee Clinic. You also are encouraged to share your results or concerns with your own doctor.

### Protections from Disclosure of Medical Information

Although the wellness program and County of Cumberland, North Carolina may use aggregate information it collects to design a program based on identified health risks in the workplace, The County of Cumberland, North Carolina wellness program will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is (are) The staff at Novant Health that conducts the screening, including the NP and RN in the Employee Clinic, who are also Novant employees, in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

## WELLNESS PROGRAM DISCLOSURE, HIPAA

Your health plan is committed to helping you achieve your best health. Rewards for participating in a wellness program are available to all employees. If you think you might be **unable to meet a standard for a reward under this wellness program, you might qualify for an opportunity to earn the same reward by different means**. Contact Tammy Gillis 910-678-7728 or [tgillis@co.cumberland.nc.us](mailto:tgillis@co.cumberland.nc.us), and we will work with you (and, if you wish, with your doctor) to find a wellness program with the same reward that is right for you in light of your health status.

## STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 ("ERISA"). ERISA provides that all participants shall be entitled to:

### Receive Information about Your Plan and Benefits

- Examine, without charge, at the Plan Administrator's office and at other specified locations, the Plan and Plan documents, including the insurance contract and copies of all documents filed by the Plan with the U.S. Department of Labor, if any, such as annual reports and Plan descriptions.
- Obtain copies of the Plan documents and other Plan information upon written request to the Plan Administrator. The Plan Administrator may make a reasonable charge for the copies.
- Receive a summary of the Plan's annual financial report, if required to be furnished under ERISA. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report, if any.

### Continue Group Health Plan Coverage

If applicable, you may continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You and your dependents may have to pay for such coverage. Review the summary plan description and the documents governing the Plan for the rules on COBRA continuation of coverage rights.

### Prudent Actions by Plan Fiduciaries

In addition to creating rights for participants, ERISA imposes duties upon the people who are responsible for operation of the Plan. These people, called "fiduciaries" of the Plan, have a duty to operate the Plan prudently and in the interest of you and other Plan participants.

No one, including the Company or any other person, may fire you or discriminate against you in any way to prevent you from obtaining welfare benefits or exercising your rights under ERISA.

### Enforce your Rights

If your claim for a welfare benefit is denied in whole or in part, you must receive a written explanation of the reason for the denial. You have a right to have the Plan review and reconsider your claim.

Under ERISA, there are steps you can take to enforce these rights. For instance, if you request materials from the Plan Administrator and do not receive them within 30 days, you may file suit in federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$152 per day (up to a \$1,527 cap per request), until you receive the materials, unless the materials were not sent due to reasons beyond the control of the Plan Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, and you have exhausted the available claims procedures under the Plan, you may file suit in a state or federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose (for example, if the court finds your claim is frivolous) the court may order you to pay these costs and fees.

### Assistance with your Questions

If you have any questions about your Plan, this statement, or your rights under ERISA, you should contact the nearest office of the Employee Benefits and Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits and Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210.

## **Important Notice from County of Cumberland, North Carolina About Your Prescription Drug Coverage and Medicare**

**Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with County of Cumberland, North Carolina and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.**

**There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:**

- 1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.**
- 2. County of Cumberland, North Carolina has determined that the prescription drug coverage offered by the County of Cumberland, North Carolina Employee Benefits Medical Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.**

---

### **When Can You Join A Medicare Drug Plan?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15<sup>th</sup> to December 7<sup>th</sup>.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

### **What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?**

If you decide to join a Medicare drug plan, your current County of Cumberland, North Carolina coverage will be affected. If you joined a Medicare drug plan after a COBRA qualified event, your COBRA coverage may end.

If you do decide to join a Medicare drug plan and drop your current County of Cumberland, North Carolina coverage, be aware that you and your dependents may not be able to get this coverage back.

## When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with County of Cumberland, North Carolina and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

**Premium Assistance Under Medicaid and the  
Children’s Health Insurance Program (CHIP)**

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

# New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved  
OMBNo.1210-0149  
(expires 6-30-2023)

## PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

### Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.<sup>1</sup>

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution –as well as your employee contribution to employer-offered coverage– is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

### How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](http://HealthCare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

<sup>1</sup> An employer – sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

## PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer name County of Cumberland, North Carolina		4. Employer Identification Number (EIN) 56-6000291	
5. Employer address PO Box 1829 Room 451		6. Employer phone number 910-223-3327	
7. City Fayetteville	8. State North Carolina	9. ZIP code 28301	
10. Who can we contact about employee health coverage at this job? Julie Crawford - Benefits Coordinator			
11. Phone number (if different from above) 910-223-3327		12. Email address jcrawford@co.cumberland.nc.us	

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:

All employees. Eligible employees are:

Some employees. Eligible employees are:

Full time active employees working a minimum of 30 hours or more. .

- With respect to dependents:

We do offer coverage. Eligible dependents are:

Your spouse and children up to age 26. If your child is mentally or physically disabled, coverage may continue beyond age 26 once proof of the ongoing disability is provided.

We do not offer coverage.

- If checked, this coverage meets the minimum value standard\*, and the cost of this coverage to you is intended to be affordable, based on employee wages.

\*\* Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process. Here's the employer information you'll enter when you visit HealthCare.gov to find out if you can get a tax credit to lower your monthly premiums.

\* An employer – sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs (Section 36 B(c)(2)(C)(ii) of the Internal Revenue Code of 1986)
