

Notice of Cumberland County Early Voting Buffer Zones

The following is a list of Cumberland County early voting places and a description of each buffer zone concerning the 2024 electioneering. Buffer zones are set as designated by G.S. 163-166.4 (b). Election officials will mark buffer zones at the beginning of Early Voting with marking tape and “No Campaigning Beyond This Point” signs. Each Early Voting location has a designated campaigning area as described below. Campaigners should never block traffic, parking, or entrances.

Campaigners are not to enter the buffer zone except for use of restroom facilities, business with another entity in a building jointly occupied, or for voting purposes.

While inside the buffer zone for one of the aforementioned reasons, campaigners should refrain from engaging in activities that violate or appear to violate campaigning guidelines. Campaigning issues or suspected violations are to be brought to the attention of the Chief Judge and the Board of Elections office.
