- David Adams, outreach coordinator for Oxford Housing contact for those who need:
 - p. #:(919)-980-0585
 - email: david.adams@oxfordhouse.org
- As is pertains to disability individuals, many get SSI, however, we are responsible for ourselves. If there are ppl who may be a liability or a disruption to the house that may hinder their access to care through this program.

Department of Public Health

-If they continue to have hospital visits a lot of times, they are referred to other places that may be more fitting.

-Anytime there's a new member he/she will receive their name, DOB, move in date & the info is transferred to Orlando.

-They're opening a house near Methodist University

-They are inviting everyone to the grand opening

SMART Recovery:

-Jasmine is willing to open up dates for June.

-3 day in & out training is for those working in the prisons.

-Dr. Green asked, "What is the minimum # for a group if we can't meet...can we send people individually?"

Grant Updates: Dr. Green

-Heather, or new LCSW, will spend some days at our HD & Detention center

-Working on new positions for a peer support specialist

-We should meet Heather next month

-We are exploring more options for treatment facilities

-IT staff & facility staff will be assisting us in the subcommittee (this is a planning group). Can email Tamra about this.

-April 12th is the sunrise visit date for Charles, Greg, and Tamra. They will be visiting and gaining insight.

-Working on a proposal: focused on the youth

-Training officers & first responders and also the youth

-C-Fort guide that focused on the young people

Department of Public Health

- There will be some preventive pieces
- youth with substance abuse disorder that need additional support
- This also supports the families
- Handle of care model allows NC Harm Reduction or whoever to make a notification to the school to handle a traumatized kid with care.
- Looking for letters of support for funding. Email letter to Dr. Green if interested in participating.
- Dr. Green email address: jgreen@cumberlandcountync.gov
- CIT: Crisis intervention
- Elizabeth Marcus: CIT Coordinator p#: (910)-835-8053
email: elizabethmarcus@fayettevillenc.gov

NC Harm Reduction: Greg

- Direct service component needs to be completed
- This support can help us understand the barriers these individuals may experience.
- Tammy director of Myover Reese Fellowship Homes
- Objective: is to identify leadership & also reconnect & revalidate everyone.
- The survey is 3-4 questions; based on the responses we will adjust the list services.
- The vision of MAT: Elijah B. on vital strategies. There are 2 phases, whereas phase 2 is production. The concern is staffing.
