**TOWN OF WADE
COMMUNITY STANDARDS**

**ARTICLE I
ADMINISTRATIVE PROVISIONS**

Sec. 101. Authority.

This ordinance is adopted pursuant to North Carolina General Statute 160A-174 *et seq.*, and for the purpose of defining, prohibiting, regulating, or abating acts, omissions, or conditions, detrimental to the health, safety or welfare of its citizens and the peace and dignity of the Town.

Sec. 102. Generally.

A. *Intent statement.* It is the intent of the Board of Commissioners of the Town of Wade, by adopting this ordinance, to establish acceptable standards for appearance and quality of life issues for the Wade community. The standards contained within this ordinance are intended to preserve the character and integrity, protect the property values, and to promote and preserve the visual and economic interests of the Town while protecting the public health, safety and welfare of the citizens. It is the Board's belief that this can be accomplished through uniformity of appearance and proper maintenance of the properties within the Town while ensuring the equitable application of these standards to its citizens.

B. *Legislative finding.* It is hereby found and determined that there exist within the area subject to the zoning jurisdiction of the Town premises that, because of the existence of the conditions herein determined to be unlawful, constitute a visual blight and detriment upon the surrounding neighborhood and create substantial and unreasonable interferences with the reasonable and lawful use and enjoyment of other premises in the neighborhood, or such conditions inhibit property values, deter tourism,

interfere with the public health and safety, or otherwise discourage the comfort, happiness, emotional stability and general welfare of all citizens.

C. *Ordinance administrator.* This ordinance shall be administered and enforced by the County's Director of Planning and Inspections or the Director's designee. This official or their representative shall have the right to enter upon the premises in any manner authorized by law as required to carry out the necessary duties for the fair and impartial enforcement of this ordinance. All questions arising in connection with enforcement and interpretation of this ordinance shall be presented first to the County's Code Enforcement Coordinator who is charged with the day-to-day enforcement of this ordinance. If the County's Planning and Inspections Director finds that they are not authorized to make a determination or judgment or that the issue is questionable, the matter will be referred to the County Board of Adjustment in the same manner as established for the board's hearing of administrative appeals.
