
AGENDA
CUMBERLAND COUNTY BOARD OF COMMISSIONERS
COURTHOUSE – ROOM 118
MAY 7, 2007
9:00 AM

INVOCATION Commissioner Diane Wheatley

Minister:

Pledge of Allegiance

1. Public Hearings
 - A. Public Hearing on the 2007 Community Development Annual Action Plan and Approval of Submission to HUD.
2. Presentation on BRAC Regional Task Force by Brig. Gen. (Ret.) Paul Dordal.
3. Consent Agenda
 - A. Approval of minutes for the April 16, 2007 regular meeting and Special Meeting.
 - B. Approval of Annual Modification to the Workforce Investment Act Plan.
 - C. Approval of Health Department Delinquent Accounts to be Turned Over to Collectors.
 - D. Approval of Sale of Surplus County-Owned Real Property Acquired by Tax Foreclosure: Lot 28, Sec 2, Windsor Terrace – PIN: 0438-42-7413, Cross Creek Township.
 - E. Approval of Sale of Surplus County-Owned Real Property Acquired by Tax Foreclosure: 2407 Slater Avenue, Pt Lots 70-71 – PIN: 0428-87-0103, Cross Creek Township.
 - F. Approval of Request for Additional Fees – Schnabel Engineering - Lake Upchurch Dam Remediation Project.
 - G. Approval of Cumberland County Policy Committee Report Regarding the Proposed Law Enforcement Promotion Policy.
 - H. Approval of Reconsideration of Rezoning Case P06-35 (Property located at 8778 Hawkins Road, owned by Mary A. Wilson).

- I. Approval of Authorization to Trade-In Surplus Cisco Network Equipment (Information Services).
- J. Approval of a Proclamation Proclaiming May 12, 2007 as “Stamp Out Hunger” day in Cumberland County.
- K. Approval of a Resolution Declaring May 19, 2007 as “Cumberland County Litter Free Watershed Day” in Cumberland County.
- L. Budget Revisions:

(1) Legal/General Government Other

Revision in the amount of \$9,389 to reallocate budgeted expenditures to cover unanticipated costs. (B07-326 and B07-326A) **Funding Source – Reallocation of Budgeted Expenditures**

(2) Juvenile Crime Prevention Programs

Revisions in the net amount of \$4,916 to adjust the county budget to the state budget. (B07-335) **Funding Source – State**

(3) Inmate Welfare Fund

Revision in the amount of \$54,000 to appropriate fund balance (\$30,000) and budget additional revenue (\$24,000) for the purchase of inventory. (B07-334) **Funding Source – Inmate Welfare Fund Balance and Fees**

(4) Court Facilities/General Government Other

Revision in the amount of \$52,728 to reallocate budgeted expenditures to purchase new office furniture for the clerk of courts, new seating for jury room and workstations. (B07-336 and B07-336A) **Funding Source – Reallocation of Budgeted Expenditures**

(5) Court Facilities/Register of Deeds

Revision in the amount of \$5,000 to reallocate budgeted expenditures to assist in purchase of new office furniture for the clerk of courts and move used furniture to the register of deeds office. (B07-329 and B07-329A) **Funding Source – Reallocation of Budgeted Expenditures**

(6) Health

Revision in the amount of \$500 to budget additional anticipated state revenue. (B07-327) **Funding Source – State**

(7) Public Safety Other

Revision in the amount of \$198,126 to appropriate fund balance to cover anticipated increases for the remainder of the fiscal year. (B07-333) **Funding Source – General Fund Fund Balance**

(8) Juvenile Crime Prevention Group Homes

Revision in the amount of \$21,488 to budget transfer of foster care funds (\$16,075) from Social Services and a reduction in federal revenues (\$37,563). (B07-321 and B07-321A) **Funding Source – Federal**

(9) Eastover Sewer Project

Revision in the amount of \$20,218 to budget fees received for Eastover Approach Main Allocation. (B07-331) **Funding Source - Fees**

(10) Library

Revision in the amount of \$52,638 to appropriate fund balance to cover anticipated utilities for the remainder of the fiscal year. (B07-328) **Funding Source – General Fund Fund Balance**

ITEMS OF BUSINESS

4. Consideration of Establishing the Child Homicide Identification and Prevention (CHIP) Council and Adopting the Proposed Mission Statement and Membership Structure.
5. Nominations to Boards and Committees
 - A. Adult Care Home Community Advisory Committee (1 Vacancy)
 - B. Child Homicide Identification and Prevention Council (9 Vacancies)
(Subject to Approval of Item 4 Above)

- C. Community Child Protection Fatality Prevention Team (3 Vacancies)
- D. Cumberland County Juvenile Crime Prevention Council (1 Vacancy)
- 6. Closed Session
 - A. Economic Development Matter(s)
Pursuant to NCGS 143-318.11(a)(4).
 - B. Personnel Matter(s) Pursuant to NCGS 143-318.11(a)(6).
 - C. Attorney-Client Matter(s)
Pursuant to NCGS 143-318.11(a)(3).
 - D. Real Property Matter(s) Pursuant to
Pursuant to NCGS 143-318.11(a)(5).

ADJOURN

THIS MEETING WILL BE BROADCAST LIVE ON TIME WARNER COMMUNITY CHANNEL 7.

**MEETINGS: May 21, 2007 (Monday) – 6:45 PM
June 4, 2007 (Monday) – 9:00 AM
June 17, 2007 (Monday) – 6:45 PM

ITEM NO. 1A

COUNTY of CUMBERLAND

Community Development

MEMORANDUM FOR BOARD OF COMMISSIONERS AGENDA
MAY 7, 2007

TO: BOARD OF COUNTY COMMISSIONERS

THRU: JUANITA PILGRIM, DEPUTY COUNTY MANAGER

FROM: THANENA S. WILSON, COMMUNITY DEVELOPMENT DIRECTOR 

DATE: MAY 1, 2007

SUBJECT: PUBLIC HEARING – 2007 DRAFT ANNUAL ACTION PLAN

BACKGROUND

The Community Development 2007 Annual Action Plan must be submitted to HUD by May 15, 2007. The draft 2007 Annual Action Plan has been available for a 30-day citizen's review and comment period throughout Cumberland County since April 9, 2007. All comments received regarding the plan will be addressed by the Community Development Director within 15 days of receipt and then forwarded to HUD with the Action Plan.

As part of the citizen participation process, a public hearing must be held during the comment period. The draft plan is also available for review in the office of the Clerk to the Board of Commissioners.

RECOMMENDATION AND PROPOSED ACTION

Community Development requests that the Board of County Commissioners hold a public hearing on the draft 2007 Annual Action Plan and approve submission to HUD.

Attachment: Draft 2007 Annual Action Plan

COUNTY of CUMBERLAND

Workforce Development Center

April 23, 2007

May 7, 2007 Agenda Item

MEMORANDUM

TO: Board of County Commissioners

THRU: Juanita Pilgrim, Deputy County Manager

FROM: Patrick S. Hurley, Director *P. Hurley*

SUBJECT: Annual Modification to the Workforce Investment Act Plan

BACKGROUND: The Cumberland County Workforce Development Center is required each year to prepare a modification to the Local Area Job Training Plan. Purpose for this modification is to incorporate Program Year 2007 (July 1, 2007 – June 30, 2008) Workforce Investment Act (WIA) funding allocations. It has been completed in compliance with the provisions of the Workforce Investment Act of 1998 and the instructions issued by the Governor under the authority of the Act.

PROPOSED ACTION: Request approval of the Board of County Commissioners to incorporate the new program year funding allocations. There are no other changes to policies or procedures. **Enclosed are two copies of the signatory sheet that requires the signature of Kenneth S. Edge, Chairman of the Board of County Commissioners.**

**Cumberland County
Workforce Development Center
Workforce Investment Act Programs
A Summary of Services**

The Workforce Investment Act is the nation's principal workforce development legislation, providing federal funds to states and local areas to address the employment and training needs of adults, dislocated workers and youth. The Act creates a comprehensive workforce investment system. In North Carolina this system is the JobLink Career Center system. It is intended to be customer-focused, to help individuals access the tools they need to manage their career through information and high quality services. The JobLink Career Center system also helps businesses find skilled workers.

Adult Services

Adult services includes a wide range of employment and training services from very basic job getting and job keeping skills, to help with improving basic education skills, to occupational skills training. Job search and job placement assistance services are also available to adults. Other services may include on-the-job training, skill upgrading, adult education and literacy activities.

Dislocated Worker Services

Dislocated workers are individuals who have been terminated or laid off, or have received notice of termination or layoff. In instances of permanent closure or layoff, the Workforce Development Center sends a rapid response team to meet with affected employees. Often dislocated workers are eligible for unemployment insurance while they receive assistance from the Workforce Investment Act. Dislocated services include all of the services mentioned above in adult services.

Youth Services

The Workforce Investment Act provides services to eligible low-income youth ages 14-21. They must also meet one additional barrier to employment, i.e., basic skills deficient, school dropout, homeless, foster child, pregnant or offender. We prepare our young customers for postsecondary educational opportunities or employment. Services are designed to link academic and occupational learning. They may include the following:

- ◆ Tutoring
- ◆ Alternative secondary school services
- ◆ Summer employment opportunities
- ◆ Paid and unpaid work experience
- ◆ Occupational skills training
- ◆ Leadership development activities
- ◆ Adult mentoring and supportive services

WIA Funding Allocations
Cumberland County Workforce Development Center

Adult Funding

PY 2006 = \$540,032

PY 2007 = \$482,802

RE: Approval of Delinquent Accounts To Be Turned Over to Collectors

BACKGROUND

At the Board of Health meeting on April 17, 2007, the Board approved writing off \$27,501.60 as bad debts and turning them over to the contracted collection agency – Professional Recovery Consultants, Inc. This write-off of bad debts is in compliance with the Board of Health's recommendation to write-off bad debts every quarter.

RECOMMENDATION/PROPOSED ACTION

Management requests to have this item placed on the next County Commissioners' meeting agenda for their approval to write off bad debts in the amount of \$27,501.60 and to turn them over to Professional Recovery Consultants, Inc. for collection.

ITEM NO. 3D

COUNTY of CUMBERLAND

Office of the County Attorney

April 24, 2007

MEMORANDUM FOR BOARD OF COMMISSIONERS' MAY 7, 2007 AGENDA:

TO: BOARD OF COMMISSIONERS

FROM: GRAINGER R. BARRETT, COUNTY ATTORNEY *GRB*

SUBJECT: APPROVAL OF SALE OF SURPLUS-COUNTY OWNED REAL
PROPERTY ACQUIRED BY TAX FORECLOSURE

LOT 28 SEC 2 WINDSOR TERRACE
(LOCATED ON CENTRAL DR. OFF RAMSEY ST.)
PIN 0438-42-7413; CROSS CREEK TOWNSHIP

BACKGROUND: On or about November 30, 2006, the County acquired by tax foreclosure the above property. The amount currently owed on the foreclosure judgment including interest and cost for the property is \$11,622.25.

Mr. Emery Gibbs was the last and highest bidder offering to purchase the County's interest in the property for **\$11,622.25** and has deposited \$1,162.23 in the Finance Office. The tax value of the property is \$43,500.00.

This property is surplus to the needs of the County and, according to N.C.G.S. 153A-176 and N.C.G.S. 105-376, the County has the authority to sell such property. Management has reviewed this offer and it is now being submitted for the Board to consider whether or not to accept Mr. Gibbs bid. The property has been advertised and this office has not received any upset bids. The bid period is now closed.

RECOMMENDATION AND PROPOSED ACTION: That the Board of Commissioners consider whether to accept the offer of Emery Gibbs to purchase the above property for the sum of **\$11,622.25**, plus costs, and authorize the Chairman to execute a deed upon receipt of the balance of the purchase price.

MEMORANDUM

TO: BOARD OF COUNTY COMMISSIONERS

FROM: ROBERT N. STANGER, COUNTY ENGINEER *Bob*

THROUGH: AMY H. CANNON, ASSISTANT COUNTY MANGER

SUBJECT: REQUEST FOR ADDITIONAL FEES - SCHNABEL ENGINEERING
LAKE UPCHURCH DAM REMEDIATION PROJECT

BACKGROUND

The rain event that occurred on Tuesday, November 21, 2006 through Wednesday, November 22, 2006 resulted in damage to the new concrete labyrinth spillway under construction at Lake Upchurch. The temporary earthen dam (cofferdam) constructed upstream of the new spillway to protect the work was breached by the stormwater runoff causing erosion of the supporting soils upon which the spillway rests. As a result, three sections of the spillway collapsed and portions of the concrete slabs were buried under sediment.

Subsequent to the storm damage, the contractor has removed debris from the existing primary spillway, re-built the cofferdam, removed the accumulated debris and sediment on the new spillway, demolished the damaged sections of the spillway, reinforced the foundation using a low strength concrete flowable fill material, repaired the foundations for the replacement slabs, and installed the two of the new (replacement) slabs.

Damage to the contractor's work has resulted in Schnabel Engineering providing additional services on behalf of the project in accordance with Article 2.1.13 of the agreement for engineering services. These additional services are outlined in the attached cost proposal from Schnabel Engineering dated February 23, 2007 and includes:

- Conducting a detailed assessment of the damage which included ground penetrating radar (GPR) of the spillway slabs to determine the extent of the undermined foundation and structural integrity of the remaining portions of the spillway.
- Developing remediation plans to address the corrective actions required by the contractor to stabilize the undermined foundation, repair the foundation in the areas where the damaged slabs

Celebrating Our Past...Embracing Our Future

were removed, repair procedures for tying the new slab and wall sections into the existing, and repair of the earthen embankments on the north and south sides of the new spillway.

- Providing construction observation services to document the remedial repair work performed by the contractor.
- Providing extended construction administration services, including construction observation and materials testing, resulting from the extended construction time. The original construction contract duration was 180 calendar days which ended on November 17, 2006. The current estimate for completion of the work is May 27, 2007. This is a six month extension of the original construction schedule.

Schnabel Engineering is requesting additional fees in the amount not to exceed \$97,000 as indicated below:

- Task 12 Construction Observation - Increase existing budget from \$86,000 to \$129,000 (increase of \$43,000)
- Task 15 Damage Assessment and Engineering Analyses - Establish a new task and budget in the amount of \$54,000.

Initially, Schnabel was requesting a fee adjustment of over \$120,000 which was negotiated down to \$97,000. On Friday, March 9, 2007, I had a telephone conversation with Tillman Marshall in which I requested additional concessions from Schnabel to reduce the fee proposal to \$71,000. Mr. Marshall indicated he would discuss this with the corporate office. Subsequently, Mr. Marshall advised me that Schnabel would agree to additional reductions in the fee provided the County would give them a release of liability. Upon conferring with the County Attorney, I was instructed to advise the engineer that the County was not in a position grant them a release given the current situation with the contractor. Therefore the current fee proposal remains under consideration.

If approved by the Board, funding for this request would come from the Water & Sewer Fund Balance.

RECOMMENDATION/PROPOSED ACTION:

In accordance with the engineering agreement for Lake Upchurch Dam Restoration Project, Schnabel Engineering is entitled to some increase in its fees for additional services resulting from the November 2006 storm damage. The recommendation of the County Engineer and management is to:

1. Approve an appropriation for additional engineering services for Schnabel Engineering in the amount not to exceed \$97,000 and increase the total engineering fee to \$309,000 and authorize the manager and engineer to negotiate a mutually acceptable amount for these additional services.
2. Approve the attached budget revision.

The proposed action by the Board is to follow the staff recommendation.

February 23, 2007

Cumberland County, North Carolina
Post Office Box 1829
Fayetteville, North Carolina 28302

Attention: Mr. Robert N. Stanger, P.E.
Cumberland County Engineer

Reference: **PROPOSAL FOR ADDITIONAL ENGINEERING SERVICES**
Lateral Breach Remediation
Lake Upchurch Dam
Cumberland County, North Carolina
Schnabel Project No. 03173016.02

Dear Mr. Stanger:

The purpose of this letter is to provide you with a request for an amendment to the General Contract with Cumberland County dated June 21, 2004 to continue engineering services for Cumberland County with regard to the repair of the damaged sections of the Lake Upchurch Labyrinth Spillway. This letter describes the background information for the project, our proposed scope of services, and basis of compensation. An Agreement and our personnel rates are also included.

BACKGROUND

Schnabel Engineering has provided construction services during the construction of the labyrinth spillway and dam breach for the Lake Upchurch dam project. The construction contract was awarded to Paul Howard Construction Company (PHCC) and work began on the dam improvements in May, 2006. The contracted construction period for the project is 180 calendar days from the date of the Notice to Proceed. By the contract, we were to provide full time construction monitoring services through November 17, 2006. By November 17, 2006, PHCC had placed compacted earth fill in the breach area on the right side of the dam and had completed a majority of the cast-in-place concrete work. PHCC had also constructed a cofferdam to protect the new concrete work from flooding. On November 23, 2006, the cofferdam breached during a rainstorm. The two bypass conduits in the powerhouse spillway structure were partially clogged with debris. The flooding washed out the earthen sections of the embankment dam on the north and south sides of the labyrinth spillway. Flood waters also eroded portions of the spillway foundation under slab sections *vm* A2, C1, C2, D1, E1, E2, F1, causing slab sections C1, E1, and F1, along with associated labyrinth walls, to topple into the erosion gulley. Since this event, Schnabel Engineering has visited the site on numerous occasions to observe and document the conditions of the damaged spillway and attend meetings with the County, FERC, NC DENR, and the contractor. The construction monitoring phase of the contract officially expired on November 17, 2006 as set forth by our contract for 180 days of construction services dated November 7, 2005. This proposal presents work performed on the project since the flooding of

"We are committed to serving our clients by exceeding their expectations."

Geotechnical • Construction Monitoring • Dam Engineering • Geoscience • Environmental

November 23rd and those services anticipated to assist Cumberland County with the reconstruction of the damaged areas of the spillway and completion of the project.

SCOPE OF SERVICES

Services Provided To Date

As previously mentioned, the construction monitoring portion of our contract expired on November 17, 2006 coincident with the completion of the construction date (Substantial Completion) established by the contract between Cumberland County and PHCC. Since November 17, Schnabel has provided the following services:

1. Site meetings and site visits after the cofferdam breach:
 - a. November 24, 2006 – visited the site to observe damage and flooding. Attempted to contact Bob Stanger.
 - b. November 28, 2006 – Met on site to observe conditions following breach.
 - c. November 30, 2006 – Met with Contractor when divers were assessing access to clear sluice gates. Discussed cofferdam repair. Observed contractor's work.
 - d. December 1, 2006 – Schnabel team attended meeting with FERC, DNER, and Contractor on water diversion and assessment planning. Remained on site during work by Contractor resulting in unclogging the sluice gates for stream bypass.
 - e. December 6, 2006 – Met on site to observe cofferdam construction. Schnabel team met with County to discuss site damage and letters from Contractor regarding consequences of damage to labyrinth.
 - f. December 18, 2006 – Site visit to assess demolition progress and voids.
 - g. December 19, 2006 – Site meeting with FERC and DENR to discuss schedule of demolition, engineer's assessment, and procedures to fill voids.
 - h. December 20, 2006 – Site visit to coordinate ground penetrating radar survey and observe demolition and cofferdam construction.
 - i. December 22, 2006 – Site visit with structural engineer to assess structural damage to concrete, assist in formulating repair approach.
 - j. December 27-28, 2006 – Site visit to monitor excavation of old toe wall and preparation of foundation for new toe wall, and subsequent pour.
 - k. January 3, 4, and 5, 2007 – On site to monitor foundation preparation and backfill under F2 and E2 and C2 with flowable fill within 3-4 inches of bottom of slabs.
 - l. January 10, 11, and 12, 2007 – On site to monitor coring of concrete slab to verify void extents.
 - m. January 23 – On site to observe non-shrink grout placement under slabs F2, E2, and C2.
 - n. January 30 and 31, 2007 – On site to observe placement of earth fill in foundation area for slab F1.
 - o. February 12, 2007 – Meeting at County Engineer's Office and site visit to document work.
2. Provide technical review and responses to Contractor actions and plans to include dewatering and void filling plans.

3. Review pay requests on behalf of the County.
4. Provide general consulting to the County with respect to repair options and contractor response.
5. Performed ground penetrating radar (GPR) survey of the labyrinth floor, chute, and stilling basin to assess locations of voids due to undermining erosion. Process and analyze the GPR data for presentation to County and contractor for use in determining locations for void filling operations by the contractor
6. Structural assessment of the reinforced-concrete sections of the labyrinth, chute, stilling basin, training walls, and foundations.
7. Geotechnical assessment of the voids in relation to slab and foundation support, drainage system, and tie in to existing foundations.
8. Engineering assessment of repair scenarios for the remediation of the earthen embankment portions of the dam.
9. General consultation and review of documents presented by the contractor on behalf of the County.
10. Construction Services to include observation and documentation of construction by Contractor, field sampling and testing of cast-in-place concrete and compacted earth fill. The engineer will visit the site periodically to verify site conditions and the quality of construction.

ACTIVITIES AND SCHEDULE

We will continue to review documents presented to Schnabel by the County or Contractor with respect to the on-going repair work as directed by the County. Our schedule will continue to be responsive as the project requires. We anticipate that the Contractor can likely make the repairs and bring the project to substantial completion by the end of May, 2007.

BASIS OF COMPENSATION

Based on the activities performed since November 18, 2006 and those anticipated to complete the project, we estimate fees for this work to be \$97,000. This fee includes those services provided as shown below:

- Task 12 Construction Observation – proposed increase in budget of \$43,000.
- Task 15 Damage Assessment and Engineering Analyses – new task with a proposed budget of \$54,000.

This fee is for the specific scope of services detailed herein. If additional services are requested and approved under this Agreement, then additional fees will be charged. The fee for this additional work, or for work requested beyond the scope of services included herein, will be based on our current unit prices at the time the work is performed. Charges for these additional services will be an

amount equal to the: 1) applicable Schnabel personnel rates multiplied by the time expended by the personnel on this project; and 2) all non-personnel costs, including unit rate charges, plus fifteen percent.

AGREEMENT

If this proposal is acceptable, please sign the two copies of this Task Order, and return the signed original to me for our files. This Task Order will become part of the original Agreement dated _____ and those terms and conditions stated in the Agreement apply.

Upon receipt of the signed Task Order, Schnabel will proceed with the assessments and continue services per your direction as described in the Scope of Services. We look forward to the successful completion of this project. If you need additional information or have any questions, please call.

Sincerely,

H. Tillman Marshall, P.E.
Senior Associate

The parties have read the proposal and attachments, understand completely the terms and conditions, and willingly enter into this AGREEMENT.

ITEM NO. 36**COUNTY of CUMBERLAND**James E. Martin
County ManagerCliff Spiller
Assistant County ManagerJuanita Pilgrim
Deputy County Manager**Office of the County Manager**Amy H. Cannon
Assistant County Manager**MEMORANDUM**

TO: BOARD OF COUNTY COMMISSIONERS

FROM: JAMES MARTIN, COUNTY MANAGER 

DATE: APRIL 30, 2007

**RE: POLICY COMMITTEE REPORT REGARDING THE
PROPOSED LAW ENFORCEMENT PROMOTION POLICY**

BACKGROUND

The Board of Commissioners approved a new salary plan for law enforcement officers ("LEOs") effective July 1, 2006. This plan established a separate grade and salary structure for LEOs which changed the differential between grades that had historically been approximately 5%. The difference between grades for LEOs now ranges from 5% to 16%. Consequently, this variance has impacted salary increases for promotions. Another factor affecting LEO promotions is the career development ("CD") step increases that are granted to LEOs after the first three (3) years of service and every four (4) years thereafter. The CDs are provided to allow LEOs to progress in their respective salary ranges. The salary differential between grades and the CDs are unique factors that have impacted the application of the County's promotion policy to LEOs.

Currently, in accordance with Cumberland County Ordinance Sec. 10-52 "An employee promoted to a position in a grade having a higher salary range shall receive a one-step salary (5%) increase or an increase to the minimum step of the new grade whichever is higher."

With the implementation of the new LEO salary plan some unforeseeable consequences have arisen. The consequence of applying code provisions for promotions is that LEOs lose the benefit and intent of salary progression that the CD steps provide. This creates inequity between some of the senior officers and their junior counterparts.

In order to address these concerns, a proposed promotion policy for LEOs was presented to the Policy Committee on March 1, 2007. The Committee approved a motion to accept the policy as presented and forward to the full Board of County Commissioners for consideration (see attached minutes). Thus far for FY07, the increased cost for the implementation of the proposed policy would be \$73,695.

RECOMMENDATION / PROPOSED ACTION

Consider the County Policy Committee's action and approve the proposed LEO promotion policy, with a requested effective date retroactive to July 1, 2006.

CM043007-1

CUMBERLAND COUNTY POLICY COMMITTEE
MARCH 1, 2007 – 9:30 AM
REGULAR MEETING

PRESENT: Commissioner Diane Wheatley
Commissioner Jeannette Council
Commissioner Ed Melvin
James Martin, County Manager
Juanita Pilgrim, Deputy County Manager
Cliff Spiller, Assistant County Manager
Amy Cannon, Assistant County Manager
Grainger Barrett, County Attorney
Sara VanderClute, Public Information Officer
Bob Stanger, County Engineer
Tom Cooney, Public Utilities Director
James Lawson, Human Resources Manager
Laura Blackley, Human Resources Analyst II
Bob Bennett, Storm Water Advisory Board Chair
Dennis Gould, Storm Water Advisory Board
Andrew Barksdale, Reporter – The Fayetteville Observer
Marie Colgan, Deputy Clerk

Commissioner Wheatley called the meeting to order at 9:45 AM

1. Approval of Minutes: January 4, 2007

MOTION: Commissioner Melvin moved to approve.
SECOND: Commissioner Council
VOTE: UNANIMOUS

2. Update on Locke's Creek Drainage Study

Tom Cooney advised that Greg Caison, Storm Water Services Manager, could not be in attendance and introduced two members of the Storm Water Advisory Board. Mr. Cooney stated he had been directed to seek qualified engineering firms to perform a study of the drainage problems at Locke's Creek. A Request for Qualifications was developed and mailed to prospective firms and seven (7) responses were received. Interviews were held with three (3) of the seven firms and a selection committee unanimously selected Jewell Engineering Consultants. They in turn proposed four different scenarios for consideration and scenario #4 was selected by the committee. Scenario #4 looks at the whole basin but, instead of profiling the major stream channels as Scenario #3 would include, profiles the major streams at bridge (i.e., road) crossings. Mr. Cooney directed attendees to the handout and reviewed the maps provided of the area. During a conversation with James Martin after receiving the selection, it was decided that scenario #3 which looks at the whole basin is the most comprehensive of the options. The cost of scenario #3 is \$365,741, as compared to scenario #4, which is \$318,436. Mr. Cooney reminded members that this figure is just for the study. Mr. Stanger informed members that if this study is done that it would provide a good planning tool when looking at rezonings. Commissioner Wheatley questioned what would happen after the study with regard to monies needed for identified problems. There would not be major funding available for large projects. Funds would likely have to come from storm water fees, grants and perhaps assessments or a service district. Several potential avenues were discussed with regard to funding the project: (a) \$50,000 which has been identified by the Joint Stormwater Utility within its utility fund; (b) The City of Fayetteville could be approached for a limited amount of funding

based on the small area of drainage basin within the City limits; (c) the NC Department of Transportation could be approached for potential funding, (d) grant funding, but (e) the County General Fund become the most likely source to provide the majority of the funding. Commissioner Council questioned county-wide benefits/services with regard to the \$50,000 monies available per year from the Stormwater Utility. Mr. Cooney advised that the fees currently being paid are intended to meet the regulatory requirements of the County's NPDES Stormwater permit, which focuses more on quality not quantity. Mr. Martin advised members that he has been reminded that there is a million and a half dollars which has already been budgeted for some water and sewer issues in connection with the City of Fayetteville which could be considered as part of the funding along with the other funding possibilities. Mrs. Pilgrim suggested that this be placed on the FY08 Federal legislative agenda with The Ferguson Group.

MOTION: Commissioner Melvin moved that staff develop a recommendation for the full study, seek funding and take the recommendation to the Finance Committee.

SECOND: Commissioner Council

VOTE: UNANIMOUS

3. Consideration of Law Enforcement Promotion Policy

Mr. Martin reminded attendees of the salary study for law enforcement officers which took place last year. However, the approach that was taken has led to an unanticipated effect, which has resulted in this request being made for a change in the Law Enforcement Promotion Policy. A promotion policy is being recommended that would allow Law Enforcement Officers' relative position in the range of their current classification to be carried forward to the promoted classification. Mr. Martin explained that an officer receives a 5% increase in pay after being with the Sheriff's Office for three (3) years and then receives a 5% increase for a career development step every four years thereafter. However, for individuals receiving certain promotions, depending on the compensation spread between positions, it may result in the loss of the benefit of the career development step increase; thus creating inequity between some of the senior and junior officers. Mr. Lawson added that one of the impacts is that a high performer who advances up the ranks quickly would actually make less money than one who has taken the longer path of advancement. Variances between the salary grades in the new law enforcement salary plan range from 5% to 16%. This differs from other county positions where grades are generally separated by 5%. Ms. Blackley stated that about five (5) employees have already resigned due to the inequities and that Human Resources is holding several actions that will be effected by this inequity, until consideration has been given to the proposed change in the policy. Several examples were presented explaining how the inequities are created. When questioned where the monies will come from for this change, Mr. Martin advised that lapsed salaries in the Sheriff's Department budget would cover pending actions and other actions that would occur through the end of this budget year. Next year's budget will need to be adjusted accordingly using past history of promotions within the last few years.

MOTION: Commissioner Wheatley moved to accept the policy as presented and to send it forward to the full Board for consideration.

SECOND: Commissioner Melvin

VOTE: UNANIMOUS

4. Other Matters of Concern
None stated.

MEMORANDUM FOR BOARD OF COMMISSIONERS AGENDA OF MAY 7, 2007

TO: BOARD OF COUNTY COMMISSIONERS

FROM: CLIFF SPILLER, ASSISTANT COUNTY MANAGER 

DATE: APRIL 30, 2007

SUBJECT: AUTHORIZATION TO TRADE-IN SURPLUS CISCO NETWORK EQUIPMENT (INFORMATION SERVICES)

BACKGROUND:

Information Services is in the process of purchasing Cisco network computer equipment and has been offered a trade-in credit of \$21,819.64 on nine pieces of equipment as set out on the attached memo.

RECOMMENDATION/PROPOSED ACTION:

Declare the nine pieces of network equipment surplus and authorize their trade-in at \$21,819.64.

CS/cps

**County of Cumberland
INFORMATION SERVICES DEPARTMENT**

Memo

TO: Cliff Spiller
Assistant County Manager

FROM: Betty M. Clark
Information Services Director

BMC

DATE: April 25, 2007

SUBJ: Request for Approval of Equipment Trade-In

Our department is currently in the process of purchasing some Cisco equipment for the county network. Due to the value of network equipment, Cisco accepts trade-ins to reduce the cost of new purchases. The equipment we would like to trade in will offer a credit of \$21,819.64. This trade-in amount is valid until Friday, April 27, 2007.

I would like to request your approval to trade in our used equipment listed below for a credit to help offset the cost of the new equipment. If you have any questions, or wish to see the equipment, please feel free to contact me. Thank you in advance for your consideration.

PROCLAMATION

WHEREAS, the 15th annual NALC National Food Drive is the largest one-day food drive in the nation, and Cumberland County carriers collected more than 40 thousand pounds of food in last year's drive, the second consecutive year the effort has exceeded 40 thousand pounds; and

WHEREAS, the food will be collected in Cumberland County communities by letter carriers from ten local branches of the Postal Service, along with other volunteers, and delivered to the Second Harvest Food Bank; and

WHEREAS, letter carriers see hungry families every day as they deliver the mail, and this food drive is one way we can help alleviate their plight; and

WHEREAS, postal patrons are encouraged to participate in alleviating hunger by leaving donations such as canned meat, fish and soup, cereals, pasta and rice in a bag by their mailbox on May 12, 2007; and

WHEREAS, co-sponsors of the drive are the US Postal Service, United Way of Cumberland County and the Second Harvest Food Bank of Southeast North Carolina.

NOW, THEREFORE, BE IT RESOLVED that the Cumberland County Board of Commissioners proclaims May 12, 2007 "Stamp Out Hunger" day in Cumberland County and urges its citizens to take an active part to ensure our community has a better quality of life by providing non-perishable food to those who are in need.

Adopted this 7th day of May, 2007.

Kenneth S. Edge, Chairman

**A RESOLUTION OF BOARD OF COMMISSIONERS
OF CUMBERLAND COUNTY
DECLARING MAY 19, 2007 AS
CUMBERLAND COUNTY LITTER FREE WATERSHED DAY**

WHEREAS, Cumberland County is rich in natural resources and beauty; and

WHEREAS, water is a basic and essential need for all life; and,

WHEREAS, litter fouls our waterways as well as our landscapes; and,

WHEREAS, every citizen should contribute to keeping our environment clean and healthy by working together to preserve clean water and the natural beauty of our surroundings; and,

WHEREAS, Litter Free Watershed is partnered with North Carolina Big Sweep, a statewide community effort to retrieve trash from North Carolina's waterways and landscapes;

NOW, THEREFORE, BE IT RESOLVED that the Board of Commissioners of Cumberland County, North Carolina, meeting on May 7, 2007, does hereby declare May 19, 2007 as CUMBERLAND COUNTY LITTER FREE WATERSHED DAY in Cumberland County, and does further hereby urge every citizen to do his or her part to restore the beauty and function of our lakes and streams by volunteering to participate in the Litter Free Watershed event.

In witness whereof I have hereunto set my hand and caused the seal of Cumberland County to be affixed.

Kenneth S. Edge, Chairman

Total		130,429	20,218	150,647

EXPENDITURES

Object Code	Appr Unit	Description	Current Budget	Increase (Decrease)	Revised Budget
350J	MBH	Eastover Approach Main Allocation	130,429	20,218	150,647
Total			130,429	20,218	150,647

Justification:

Budget revision in the amount of \$20,218 to budget Eastover Approach Main allocation fees received (\$20,217.60) on April 20, 2007 from John Koenig for the property on Dunn Road now known as Lexington Woods, but previously called St. James Place. ESD has previously used \$108,000 of its EAM allocation fees collected to pay PWC for 100,000 gallons per day of capacity in the EAM. In addition, ESD owes the County \$108,000 related to this purchase. The County has agreed to defer repayment until such time as ESD has sufficient EAM allocation receipts.

April 26, 2007

MEMORANDUM

TO: KENNETH EDGE, CHAIRMAN
BOARD OF COUNTY COMMISSIONERS

FROM: MARY DEYAMPERT-MCCALL, CHAIRMAN
SOCIAL SERVICES BOARD

RE: FOLLOW-UP TO MEETING WITH COMMISSIONERS
ON MEMBERSHIP RECOMMENDATIONS FOR CHIP COUNCIL

I want to thank you on behalf of the Child Homicide Identification Task Force and Social Services Board members for meeting with us April 16th and for providing us with the delicious food.

The Council Mission Statement:

To identify conditions in families and in our community that are associated with child homicides by parents or caretakers and to change those conditions.

The Board of Social Services met yesterday and recommends the following membership:

- A representative of the medical community whose specialty is children:
 - Recommend Dr. Sharon Cooper
 - The Board also recommends she be identified as Chair of the Council
- A representative of the Business Council Board:
 - Recommend Kirk deViere, Chairman or designee
- A representative of the Military Community:
 - Recommend Lieutenant General Lloyd Austin or his designee
- A representative of Cumberland County's Legislative delegation:
 - Recommend Rick Glazier
- A representative from District Court:
 - Recommend Chief District Court Judge Beth Keever
- A representative of the Cumberland County Board of County Commissioners:
 - Recommend Diane Wheatley
- A representative of the Fayetteville Cumberland County Ministerial Association:
 - Recommend Dr. Allen McLaughlin
- A representative of Cape Fear Valley Emergency Department:
 - Recommend Dr. Eugene Wright

....partnering with families and the neighborhoods where they live to plan and provide early help to vulnerable families....

SUBJECT: Community Child Protection Fatality Prevention Team Vacancies (3)

The Cumberland County Community Child Protection Fatality Prevention Team has the following vacancies:

EMS Provider or Firefighter Position – Carl Strange is no longer available to fill this position. Community Child has recommended that **Barry Childers** fill his unexpired term.

Parent of a Child Who Died Before Reaching Their 18th Birthday Position – This position has been vacant since November, 2006. Community Child has recommended that **Tonya Vetter** be appointed to fill this slot as she meets the eligibility requirement.

At Large Position – Kalisha Abercrombie has not attended meetings and Community Child recommends replacing her with **Maxine Anders** to fill her unexpired term.

I have attached the current membership list and applicant list for this team.

PROPOSED ACTION: Make nominations to fill the vacancies (3).
