2. REPORT ON JCI GUARANTEED ENERGY SAVINGS PROJECT ANNUAL
REPORT

BACKGROUND:

In November 2004, the Board of Commissioners partnered with Johnson Controls, Inc. (JCI), to install energy conservation measures in select county facilities through a guaranteed energy savings contract. The conservation measures included energy efficient lighting retrofits, water conservation measures, energy efficient motor replacements, new chiller/cooling towers, boilers, and heat exchangers, and new HVAC controls. The work

DRAFT

was completed in January 2006. The cost of the work will be paid back over twelve (12) years through the energy savings guaranteed by JCI. As a part of the continued services provided by JCI, they monitor the energy usage and savings for the duration of the guarantee period (12 years).

Chuck James, Solutions Engineer, with JCI will present the results of the report. A copy of the report for calendar year 2013 will be provided to the Facilities Committee at the time of the presentation.

RECOMMENDATION/PROPOSED ACTION:

No action required. This is for informational purposes only.

Chuck James, JCI, reported the annual avoidance for the eighth year performance and compared energy and dollar savings for years seven and eight. Mr. James stated the total project target over twelve (12) years remains at \$6.2 million.

Mr. James reported electrical and gas energy avoidance savings for this year equated to 9,741 tons of greenhouse emissions that were not produced. Mr. James further stated Cumberland County to date has reduced emissions by 55,212 tons. Mr. James reported the Cumberland County environment has become a cleaner, more comfortable place to stay or work, resulting in higher productivity and satisfaction.

Mr. James stated during year nine JCI will continue to work diligently to discover more ways to help make progress toward key objectives. Mr. James further stated JCI is currently investigating the opportunities of retro-commissioning.

Mr. James stated the benefits of retro-commissioning include:

- improved system operation
- improved equipment performance
- increased staff capabilities and expertise
- increased asset value
- energy savings
- improved occupant comfort
- improved indoor environmental quality
- improved building documentation

Mr. James stated future objectives of JCI include: continuing the verification of building automated systems network to increase the integrity and reliability of system performance and energy savings and proactive design review/analysis of upcoming projects based upon operation and energy management savings.

Commissioner Council asked how much it cost the County initially to get the contract started with JCI for Phase I and Phase II because she is interested in knowing the overall

DRAFT

savings including the costs. Mr. James stated he would provide Jeffery Brown the schedule of the contract so that Mr. Brown could distribute to the Facilities Committee.

3. CONSIDERATION OF APPROVAL TO ENTER INTO A PROFESSIONAL SERVICES CONTRACT WITH US INFRASTRUCTURE OF CAROLINA, INC. TO EVALUATE PAVEMENT CONDITIONS OF COUNTY PARKING LOTS

BACKGROUND:

The Engineering and Infrastructure Department issued a Request for Qualifications (RFQ) for the services of a consultant to provide a pavement condition survey for all County parking lots at the end of May. Firms submitted their qualifications to the County for review toward the end of June. All submittals were reviewed and ranked by a selection panel based on the qualifications that each firm had submitted. US Infrastructure of Carolina, Inc. (USI), was the top ranked firm by each member of the selection team.

An initial meeting was conducted with representatives of USI to discuss in detail the scope of the project. Following the meeting, the Engineering & Infrastructure Department began negotiating a fee with USI to complete the project as outlined initially in the RFQ and subsequently in the scoping meeting. USI has submitted a formal proposal in the amount of \$130,000 to complete a pavement condition survey for all paved County parking lots. It is important to note that 30% of the overall contract (\$39,000) will be charged to the Crown as the paved parking at the Crown represents 30% of all the County's paved parking areas. Funding in the amount of \$75,000 was budgeted in the FY 2015 budget. Savings from the DSS Window Project will be used to make up the cost difference between what was budgeted and the proposed cost.

RECOMMENDATION/PROPOSED ACTION:

The Engineering and Infrastructure Director along with County Management recommend that the Facilities Committee approve awarding a contract to US Infrastructure of Carolina, Inc. in the amount of \$130,000 for a pavement condition survey of all paved County parking lots along with necessary budget revisions and forward this to the Board of Commissioners for its consideration at their September 15, 2014 meeting.

Jeffery Brown, Engineering and Infrastructure Director, reviewed the background information and recommendation as recorded above and responded to questions.

Commissioner King asked if there were any local companies qualified to complete the pavement condition survey project. Mr. Brown stated he went to the North Carolina Department of Transportation to locate the firms that were pre-approved for pavement condition survey projects and no local firms qualified at this time.

DRAFT

MOTION: Commissioner Edge moved to recommend to the full board consideration of approval of the request to award a contract to US Infrastructure of Carolina, Inc. in the amount of \$130,000 for a pavement condition survey of all paved County parking lots.

SECOND: Commissioner King

VOTE: UNANIMOUS (3-0)

4. CONSIDERATION OF APPROVAL OF EXPANSION OF COURTHOUSE PARKING AT FORMER LEGAL AID SITE

BACKGROUND:

At the Board of Commissioners meeting held December 21, 2009, the Board unanimously approved the demolition of the Legal Aid Building and to convert the property into paved parking. The structure has now been demolished. At the May 8, 2014, meeting the Facilities Committee voted to approve the hiring of Call Sign Engineers to design the expansion of the courthouse parking into this area. This was approved by the Board of Commissioners on May 19, 2014.

At this time, Call Sign Engineers have developed two different schematic layouts of how this vacant parcel can be utilized for parking.

RECOMMENDATION/PROPOSED ACTION:

The Facilities Committee is being asked to provide County staff direction as to which parking layout they would prefer to move forward with in constructing the vacant space of the former Legal Aid Building.

Mr. Brown reviewed the background information and recommendation as recorded above and responded to questions.

Mr. Brown presented the two different schematic layouts of how the vacant parcel could be utilized for parking to the Facilities Committee. Mr. Brown stated the first layout would gain nine parking spots. Mr. Brown stated the second layout also provides a gain of nine parking spots but he feels it provides a more serviceable area for the customers coming and going to the courthouse than the first layout. Mr. Brown stated his recommendation would be the second layout.

Mr. Brown stated the goal is to have the parking layout constructed before the end of December 2014.

MOTION: Commissioner Evans moved to recommend to the full board consideration of approval to direct County staff to move forward in constructing the vacant space of the Former Legal Aid Building with the second parking layout as presented by staff.

SECOND: Commissioner Edge

5. OTHER ITEMS OF BUSINESS

Update on Courthouse Steps:

Mr. Brown stated he would like to give a brief update on the Courthouse steps. Mr. Brown further stated he has tried to expedite the process as quickly as possible by cutting the bid advertisement down. Mr. Brown stated RKM Construction Systems has been selected to perform the specialty work on the repairs of the Courthouse steps. Mr. Brown stated the prep work and cleaning has begun and the materials have been ordered. Mr. Brown stated the projected time of completion of the Courthouse steps is two to three weeks depending on the weather.

County-Owned Property at 800 Old Wilmington Road:

Mr. Brown stated as part of the CIP plan, he requested a list of county owned properties with structures from the Tax Department to ensure it matched the information he maintains. Mr. Brown stated he discovered the County owns a facility at 800 Old Wilmington Road that was constructed in 1989 and operates as a group home. Mr. Brown stated the tax records list the County as the owner so Mr. Brown visited the facility and determined that RH Management Services, a mental health service provider for group homes located out of High Point is in operation at the facility. Mr. Brown stated in researching the history of this facility, it appears there is no existing lease for the building. Mr. Brown stated RH Management Services is very interested in purchasing the building from the County. Mr. Brown stated in talking with County Management and the County Attorney, the best alternative may be looking into the option of selling the property. Mr. Brown stated based on the information he has gathered the clients have been in the building since construction in 1989. Mr. Brown stated he recommends having the building appraised and looking into marketing the building for sale.

Commissioner Edge stated he feels it would cost the County more in the long run to maintain the building so his suggestion is to pursue having the building appraised and marketed for sale. Rick Moorefield, County Attorney, stated he feels if the County can clear it to sell the property it needs to be sold.

Commissioner King stated he would like to receive a summary of county-owned or county-operated properties with structures at the October Facilities Committee meeting.

MOTION: Commissioner Edge moved to direct County staff to provide a list of all county-owned structures at the October 2, 2014 Facilities Committee meeting.

SECOND: Commissioner Evans
VOTE: UNANIMOUS (3-0)

DRAFT

MOTION: Commissioner Edge moved to recommend to the full board consideration of approval to direct staff to get an appraisal done of 800 Old Wilmington Road and move forward with the sale of the building.

SECOND: Commissioner King

VOTE: UNANIMOUS (3-0)

Mr. Moorefield stated there is also a county surplus property list and it may be time to consider an auction since the last auction was held in 2005.

There were no other items of business.

2. UPDATE ON EMPLOYEE WELLNESS CLINIC

Mark Browder, Mark III Brokerage Services, provided the following PowerPoint presentation as the Clinic and Wellness services update and recommendations.

Clinic and Wellness Request for Proposals

The County implemented the Clinic for the following reasons:

- Provide a low cost point of access for basic medical care for employees.
- Support Wellness Initiatives.
- Reduce employee time away from work while accessing basic health care needs.

DRAFT

- Deliver savings to the employees and County.

The County requested proposals for Clinic and Wellness services for the following reasons:

- Gain greater employee acceptance of the clinic.
- Increase patient flow into the clinic.
- Integrate the wellness program with clinic operations, including annual screenings, and data collection.
- Have a greater impact on employee health improvement.

Below are vendors who responded:

- Cumberland County Health Department
- Novant Health
- Better Care Wellness
- Carolinas HealthCare System
- UNC Department of Family Medicine

Below are vendors who did not respond:

- Vidant Health
- Target Care
- Rival Health
- Cape Fear Valley
- First Health
- Doctors Direct Health Care

Mr. Browder stated Mark III reached out to Cape Fear Valley on a couple of occasions to be certain they did not want to participate in the process; however, they felt they were really not in a good position to provide the clinic and wellness services.

Finalist presentations were conducted on June 11th.

- The finalists were:
 Carolinas Healthcare
 County Health Department
 Novant Health
- Additional proposal clarifications were obtained.
- Revised parameters for clinic staffing were established to meet budget needs.

In reviewing the final responses, the recommendation is to contract with Novant Health for the following reasons:

- Comprehensive Wellness Experience – Novant works with multiple public sector employers in North Carolina
- Comprehensive Data Collection – Tracking
- Novant can manage accountability standards
- Robust reporting tools – MedAi for predictive modeling and claims data integration with BCBSNC
- Competitive cost structure

DRAFT

Mr. Browder stated the following table identifies the cost of each of the operations at the clinic for which Novant was the most competitive. Mr. Browder stated the County Public Health was not capable of conducting an annual screening event because it would have had to stagger screenings over a twelve month period which did not meet the needs of the annual event.

WELLNESS CENTER ITEMS	NOVANT HEALTH	COUNTY PUBLIC HEALTH	CAROLINAS HEALTHCARE
CENTER'S START UP COSTS	\$16,539.00	\$90,000.00	\$15,000.00
CENTER'S OPERATIONAL COSTS	\$338,405.00	\$278,306.00	\$364,315.00
CENTER'S COSTS	\$354,944.00	\$368,306.00	\$379,315.00
COST PER HEALTH SCREENINGS	\$40.00	Staff Limitations to Support Annual Event. Challenged to track data.	\$45.00 per employee/plus \$38,060 Fee
SCREENINGS - 90% -1710 EMP	\$68,400.00	No – Unable to track data and host event	\$115,010.00
TOTAL COST FOR ALL ITEMS	\$423,344.00	Incomplete Screenings were not included	\$494,325.00

SOFTWARE TO INTEGRATE MEDICAL CLAIMS, PROVIDE PREDICTIVE MODELING and DATA REPORTING	YES – NO COST	NO	YES – \$5,000 Plus .95 Per Emp.Per Month
HEALTH COACHING	YES – NO COST	YES – NO COST	YES – NO COST

Novant Health:

- Third Party partner serving employees – Privacy and autonomy
 - Anticipate increased patient traffic in clinic
- Has screening capacity to handle annual event
- Cape Fear will partner with Novant to assist in finding staff to serve the clinic.
- Novant will utilize and integrate Cape Fear/local physician resources to deliver a comprehensive health care solution for County employees.
- Connected to the local provider community. Novant Health provides management for:

Carolina Pulmonary & Sleep Clinic PLLC
Integrated Pain Solutions
Life Enhancements Medical Services
Pinnacle Family Care

Next Steps:

DRAFT

- Close current clinic effective September 30, 2014.
- Anticipated opening of the Novant Wellness Center in early 2015.
- Begin contract review by Legal Department immediately.
- October 1, 2014:
 - Inventory clinic by Finance Department.
 - Begin transition of all records to Novant Health by Wellness Coordinator.
 - Pharmacy staff, Wellness Coordinator, and clinic operations will report to Assistant County Manager/Finance as part of comprehensive risk and health plan management.

In response to a question posed by Commissioner Edge, Amy Cannon, County Manager, stated the Public Health Department's start-up cost was greater in part because it included a wellness fitness center as part of their wellness solution/strategy and medical equipment.

Commissioner Keefe asked whether it will cost more or less to operate the pharmacy and clinic when considering Novant's total cost is just over \$400,000. Melissa Cardinali, Assistant County Manager, stated the cost to currently operate the clinic is \$260,000 but it is not being operated at the same level as Novant's; Novant's cost also includes screenings. Ms. Cannon stated tremendous savings are appreciated through the county's operation of the pharmacy and the pharmacy has doubled its number of monthly subscriptions. Ms. Cannon explained the funding for the clinic, wellness and pharmacy are out of the county's health insurance pool of funds and there are available funds to handle the comprehensive new approach.

In response to a question posed by Commissioner Council, Mr. Browder stated the clinic will continue to operate with a nurse practitioner and physician oversight.

Commissioner Edge asked whether the county will save money when considering the costs to operate the pharmacy, the clinic and wellness component. Mr. Browder stated as far as plan performance, the county has not had a benefit change in many years and costs have been extremely stable over the last several years. Mr. Browder stated the initiative and processes the county has implemented have worked very well but the one outlier is that the lack of traffic/buy in from employees. Mr. Browder stated Novant's independence from the county is felt to be a positive for employees and projections are for the uptake initially sought in employee traffic. Mr. Browder stated unfortunately, some of the hospitals and physicians raise their cost structure. Ms. Cannon stated changes in Federal law have been responsible for some of the areas that had to be increased and there are more to come. Mr. Browder stated two-thirds of the costs of renewal this year were health care reform related and benefit mandates are also forthcoming which will make a significant change to the additional cost of the plan; these costs are uncontrollable.

Commissioner Keefe asked whether there would be any restriction on an employee following up with their physician after having been seen by Novant Health. Mr. Browder stated there would be no restrictions and Novant Health's goal is to work with the medical community and not steer employees to a Novant Health provider.

3. CONSIDERATION OF BUDGET REVISION ALLOWING FOR COMPENSATION OF EMPLOYEES SUCCESSFULLY COMPLETING THE TELE-COMMUNICATOR PROFESSIONAL DEVELOPMENT PROGRAM

BACKGROUND:

The Emergency Services Department currently has an in-house dispatch professional development program for tele-communicators. There are 3 levels to the program. With successful completion of each level, employees receive additional compensation to reflect the certification achievement and competency in each area of dispatch.

It was discovered that while employees have been successfully completing the professional development program, the associated compensation was not received for fiscal years 2013 and 2014. In order to provide the compensation for the affected employees, a revision to the Emergency Services budget is needed. The total fiscal impact for the two previous years is approximately \$25,500.

Going forward, controls have been put into place by Emergency Services and Human Resources to insure future achievements are recognized upon completion. Further monetary recognition will be limited to \$500 for each level achieved, allowing for equitable recognition among employees.

RECOMMENDATION/PROPOSED ACTION:

Approve budget revision allowing for compensation of employees successfully completing the Emergency Services professional development program.

Ms. Cardinali reviewed the background information and recommendation as recorded above. In response to a question from Commissioner Edge, Ms. Cardinali stated the previous compensation was 5% as each level was reached and the \$500 is to ensure the compensation is equal regardless of an employee's compensation level. Commissioner Edge asked why compensation was not received for fiscal years 2013 and 2014. Mr. Cardinali stated it was due to a lack of standardized procedures and changes in personnel employed in that department. Ms. Cardinali stated the \$25,500 requested is for seven employees being compensated at 5% for each level achieved.

Randy Beeman, Emergency Services Director, explained when staff are brought into the call center, they have received the basic training and skills sets through the International Association of Dispatch in the areas of emergency medical dispatch, emergency fire dispatch, emergency police dispatch and emergency call taker. Mr. Beeman explained the employees are then indoctrinated into the physical aspects of the job of answering the phone and additional training or "chair time" which consists of sitting in a fire position for nine months, emergency services for three months and law enforcement for twelve to fifteen months due to the complexities of calls received in the Law Enforcement Center. Mr. Beeman stated after having been

DRAFT

successfully tested and reviewed, staff are approved for pass through.

Julean Self, Human Resources Assistant Director, explained that through the classification study, the three levels for tele-communicator positions were collapsed into one level and now they are compensated within the salary range for that one level.

Mr. Beeman assured the committee that when the public dials 911, a skilled operator answers; staff participating in the professional development program are being trained along side the skilled operators and do not operate alone without having been certified in all the required levels of proficiency. In response to a question posed by Commissioner Edge, Mr. Beeman stated under the conditions of employment, future tele-communicators will be made aware that they will receive the certifications within a designated operational period and the \$500 compensation.

MOTION: Commissioner Edge moved to approve budget revision allowing for compensation of employees successfully completing the Emergency Services professional development program.

4. CONSIDERATION OF SALES TAX AGREEMENT WITH SEGAL REVENUE SPECIALISTS

BACKGROUND:

The County has engaged Segal Revenue Specialists for many years to review sales tax refunds and insure that all sales tax dollars that should be distributed to Cumberland County are indeed allocated to Cumberland. This arrangement with Segal is on a fee contingency basis. In other words, if no funds are due to Cumberland County then Segal does not receive anything.

Recently the NC Department of Revenue made the decision to perform reviews of sales tax reallocations on the 700 largest refunds. Their goal is insure the quality and accuracy of the process to minimize the fluctuations in sales tax refunds.

However, the effort by the NC Department of Revenue will not provide a review of all sales tax refund requests. Approval of the contract with Segal Revenue Specialists will aid in the effort to insure review of all of the sales tax refunds that impact Cumberland County, not just the larger refunds.

RECOMMENDATION/PROPOSED ACTION:

Approve letter of agreement as recorded below with Segal Revenue Specialists.

LETTER OF AGREEMENT

SEGAL Revenue & Expense Specialists, Inc. (SEGAL) and Cumberland County (CLIENT) hereby enter into this letter of Agreement whereby SEGAL shall serve as a consultant to

DRAFT

CLIENT to examine and analyze the following listed revenue of CLIENT and to achieve refunds or adjustments in these areas:

NC Sales and Use Tax Funds

1. Discovery of Additional NC Sales and Use Tax Refunds and/or
2. County Tax Reallocation Adjustments to any Non-Profit/Governmental Entity receiving county sales tax refunds from the County

SEGAL will request CLIENT to request a report from NC Revenue as to Non-profit and governmental entities receiving county tax funds from the County. Based on this list SEGAL will then assist any and all entities with a review of their E-585 Refund claims and implement the necessary adjustments and submit for review by NC Department of Revenue in order for County to receive these funds. SEGAL will also review the records of CLIENT to discover unclaimed NC sales and use tax.

Client agrees to pay SEGAL a fee for this service based upon the average annual amount of County Tax being requested by the non-profit entity under review on their original refund claim, as follows:

PROFESSIONAL SERVICES:	FEES:
Annual refund claims requesting \$500,000 or more of County tax	30%
Annual refund claims requesting \$300,000 to \$500,000 of County tax	35%
Annual refund claims requesting \$150,000 to \$300,000 of County tax	40%
Annual refund claims requesting \$75,000 to \$150,000 of County tax	45%
Annual refund claims requesting less than \$75,000 of County tax	50%

The fee percentage will be applied to the county sales tax distributed by the State based on the verification supplied by the NC Department of Revenue. Cumberland County and the City of Fayetteville will be billed for their pro-rata share of the fee.

This fee will be due within 45 days of CLIENT'S receipt of funds or official documentation from the North Carolina Department of Revenue evidencing the additional sales/use tax revenue being transferred or paid to the CLIENT.

SEGAL AGREES TO MAINTAIN IN STRICT CONFIDENCE ALL INFORMATION RECEIVED FROM CLIENT CONCERNING ITS REVENUES/EXPENSES AND METHODS OF DOING BUSINESS. FURTHERMORE, SEGAL ACTS AS A CONSULTANT ONLY AND DOES NOT RECEIVE ANY COMMISSIONS OR REMUNERATION OF ANY KIND FROM ANY VENDORS OR SERVICE PROVIDERS.

SEGAL has contracted with Dixon Hughes Goodman LLP to assist with this project.

Ms. Cardinali reviewed the background information and recommendation as recorded above. Ms. Cardinali explained the NC Department of Revenue has not historically participated in

DRAFT

auditing sales tax refunds they receive and Cumberland County engaged SEGAL for many years on a contingency basis; if they find monies owed to the county, they receive a percentage but do not receive anything otherwise.

Ms. Cardinali stated the NC Department of Revenue has now decided it will now perform a review of the top 700 sales tax reallocations within the State each year which means for SEGAL that all the large sales tax revenues are being taken off the table. Ms. Cardinali stated the NC Department of Revenue is not readily forthcoming with information about sales tax refunds and what this means for Cumberland County is that unless it hires a firm such as SEGAL, it stands to lose if one of the sales tax refund allocations is incorrect. Ms. Cardinali stated this letter of agreement will secure SEGAL on a contingency basis at a percentage that goes up as the reallocation goes down. Ms. Cardinali stated unless the county has a backup system in place, it cannot be assured sales tax refunds are being handled appropriately and sales tax revenues are not exposed to any undue decline. Ms. Cardinali responded to questions and explained the county reached out to Fayetteville to be sure it pays its percentage of any findings; if Fayetteville does not participate, there can be no agreement with SEGAL. Ms. Cardinali stated county staff have not yet heard from Fayetteville but SEGAL has reached out to the city.

MOTION: Commissioner King moved to approve the letter of agreement with Segal Revenue Specialists.

RECOMMENDATION/PROPOSED ACTION:

No action needed – for information purposes only.

DRAFT

Vicki Evans, Accounting Manager, reviewed the financial information as recorded above and stated overall there are not a lot of changes from the prior month and sales tax revenues remain under budget. Ms. Evans explained how she consolidated financial statements from the Crown Coliseum in order to provide a simplified view of its income statements. Ms. Evans responded to questions regarding the Crown Coliseum report. Ms. Cardinali explained challenges associated with Global Spectrum's corporate financial statements when compared to governmental statements and how staff could possibly incorporate FY15 portions moving forward. Ms. Cardinali also explained this has been difficult for FY14 due to the split year but staff can continue to modify moving forward and are open to feedback.

Ms. Cardinali responded to questions and a brief discussion followed. Ms. Cardinali stated Global Spectrum engaged Cherry Bekaert to perform their audit and Cherry Bekaert also performs the county's audit. Ms. Cannon stated there is also the opportunity to perform an internal audit of the Crown Coliseum through the contract with Global Spectrum. Commissioner Edge stated he felt there should be an internal audit of the Crown Coliseum.

Commissioner Edge referenced the income statement for the county and asked whether the county was \$3 million behind in sales tax revenue. Ms. Cannon stated the county is \$3 million behind when compared to this time last year. Ms. Cardinali stated she would ensure postings were correct and respond with an email to the committee.

SUBJECT: WELLNESS CLINIC

In April the Finance Committee directed Mark III to request proposals (RFP) for the operation of the employee wellness clinic. The process was entered with the goals of gaining greater employee acceptance of the clinic, increase patient flow into the clinic, integrate the wellness program with clinic operation and have a greater impact on employee health improvement.

Requests for proposals were sent to 11 vendors, with five providing responses. After thorough review and finalist presentations, one vendor was clearly the best fit for Cumberland County. Novant Health is the recommendation to outsource the clinic for multiple reasons, including a competitive cost structure, robust reporting tools, the ability to conduct the County's annual wellness screening event, as well as currently working with multiple public sector employers in North Carolina.

Additionally, Novant Health will reach out to Cape Fear Valley Health Systems to assist Novant in staffing the clinic. Novant Health will also utilize and integrate local physician resources as part of a comprehensive health care solution for County employees.

At its September 4, 2014 meeting the Finance Committee approved the outsourcing of the employee clinic to Novant Health and to close the existing clinic effective September 30, 2014. Additionally, pharmacy staff, the wellness coordinator and clinic operations will report to the Assistant County Manager for Finance effective October 1, 2014.

2. CONSIDERATION OF APPROVAL OF REVISION TO RULE 24 OF “WRECKER AND TOW SERVICE RULES AND REGULATIONS”

BACKGROUND:

County Ordinance 9-64 states “The Board of Commissioners from time to time, may adopt such regulations and rules as deemed advisable for the administration of this article, whether on recommendation of the Wrecker Review Board or on the initiative of the Board of Commissioners.”

The Wrecker Review Board recommends that Rule 24 be revised as follows to make it more uniform with the Rules and Regulations with the City of Fayetteville Wrecker Review Board and to assist in securing payment for towing services.

- Current Rule 24: Upon request or demand, the rotation wrecker companies will return personal property stored in or with the vehicle, whether or not the towing, repair, or storage fee on vehicle has been or will be paid. Personal property for the purposes of this provision includes any goods, wares, freight or any other property not requiring tools to remove from the vehicle.
- Proposed Rule 24: Upon request or demand, and proof of ownership or right to possession, the rotation wrecker operators shall return personal property stored in a vehicle, provided that all authorized charges for towing of the vehicle have been paid, with the exception that medicines and pocketbooks/wallets shall be returned to the owner upon request or demand whether or not the towing fee has been or will be paid. Rotation wrecker operators may not require payment of any storage fees as a prerequisite to release personal property. Any items attached to the vehicle such that a tool of any type is required for removal is not considered personal property under this provision.

RECOMMENDATION:

The Wrecker Review Board recommends that Rule 24 be revised.

Rob Hasty, Assistant County Attorney, reviewed the background information and recommendation as recorded above and responded to questions.

Jay Barr, Wrecker Review Board Chairman, stated the Wrecker Review Board is requesting a revision to Rule 24 to protect wrecker companies against unwarranted expenses. Mr. Barr stated vehicles are currently being abandoned after having been towed to wrecker companies and can sit on their lots for up to a year before the wrecker company is able to dispose of them.

Johnny Chance, wrecker operator in attendance, stated the City of Fayetteville requires that individuals pay for the initial tow bill before they can obtain their personal belongings so that the wrecker company is able to recoup some money at that time. Mr.

DRAFT

Barr explained as long as the individual pays their initial tow bill, they will be able to obtain their personal property and under the proposed rule can obtain medicines and pocketbooks/wallets regardless of whether they pay the tow bill.

Commissioner Melvin stated he cannot support the proposed rule as presented because he does not feel it is right to hold items such as a work computer. Commissioner Council stated she needs to know how personal property is defined before she can support the proposed revision. Commissioner Keefe stated any decision by the Policy Committee needs to be defensible. Commissioner Edge stated although the rule is weak and needs to be revised, he does not agree with the revision as presented.

Commissioner Keefe asked whether the Wrecker Review Board would be satisfied if the County's policy mirrored the City of Fayetteville's policy. Mr. Barr stated the Wrecker Review Board meets quarterly but can call a special meeting if necessary to discuss bringing back a new proposal to the Policy Committee. Mr. Moorefield explained the City of Fayetteville's rule is like the County's current rule with the exception that the City of Fayetteville requires payment of the tow bill before any personal property can be removed. Mr. Hasty read both the City of Fayetteville's rule and the proposed rule of the Wrecker Review Board.

Consensus of the Policy Committee was to have the Wrecker Review Board come back at a later date with another proposal.

3. PRESENTATION ON SMOKE-FREE OPTIONS

BACKGROUND:

County Manager Amy Cannon requested County Attorney Moorefield to draft amendments to the Smoking Ordinance to expand its coverage to include electronic cigarettes. County Manager Amy Cannon will address the need for the requested amendment. When drafting the amendment, County Attorney Moorefield determined that the implementation and enforcement sections needed further amendment.

RECOMMENDATION/ACTION REQUESTED:

Consider the proposed amendments to the Smoking Ordinance.

Buck Wilson, Public Health Director, stated the Board of Commissioners and the Board of Health put a smoking ordinance in place as of September 1, 2014. Mr. Wilson stated at a Board of Health meeting, Commissioner King asked what the County was doing to help Breast Cancer rates. Mr. Wilson stated he suggested the possibility of expanding the smoking ordinance. Mr. Wilson stated once the Board of Health knows the Commissioners supports expansion of the smoking ordinance, they will develop recommendations to return to the full Board.

Ockidde Harris, CTG Coordinator, reviewed the following information:

DRAFT

The Challenge:

Cumberland County employees and citizens visiting County buildings and grounds have been awarded protections from the dangers of secondhand smoke exposure through Chapter 9.5, Article VII, Sec. 9.5-93 of the Cumberland County Code. Unfortunately, employees and citizens working in and/or visiting municipal buildings, municipal grounds (including parks and recreation areas), or indoor public places, are not guaranteed these same protections. These unprotected individuals are at increased risk of premature death and disease including cancer, asthma attacks, and heart disease.

Health Considerations:

- Scientific evidence indicates that there is not a safe level of exposure to secondhand smoke
- The leading causes of death in Cumberland County are heart disease, cancer, and lower chronic respiratory disease, all of which have tobacco use as one of the leading risk factors
- Lung cancer is the leading cause of cancer death with smoking being the root cause for 90% of lung cancer deaths in men and 80% of lung cancer deaths among women
- Emergency room visits by North Carolinians experiencing heart attacks have declined by 21% since Jan 2010 start of the Smoke-Free Restaurant and Bar Law
- Outdoor exposure to tobacco smoke can be high, especially when someone is near a smoker, such as when sharing a bench or pushing a child on a swing
- Children exposed to secondhand smoke are at increased risk for acute respiratory infections, asthma attacks and ear problems.

Economic Considerations:

- Annual healthcare costs in NC caused by smoking are estimated at \$2.46 billion with secondhand smoke costing \$288.8 million
- The NC Restaurant and Lodging Association reports the smoking ban has had a positive impact on restaurant sales since the law's implementation.
- An unhealthy population generates costs in preventable health care expenditures, higher premiums from insurance companies and health care cost to business, and greater public expenditures on Medicaid and Medicare
- Businesses want to locate to regions with healthier populations because their costs are lower and productivity is higher

The Solution:

The Board of Health and County Commissioners have the authority to protect workers, visitors, and residents from secondhand smoke exposure and create healthy social norms. Local governments can provide safe and healthy environments, both indoors and out, as well as reduce health care costs for all Cumberland County citizens, employees, and visitors by creating smoke-free environment.

Areas where smoking can be restricted include:

- All County and Municipal buildings, vehicles, and grounds including playgrounds, trails and athletic fields

DRAFT

- Bus Stops
- Sidewalks that are maintained by the County or Municipality
- Public Transportation
- Common areas of multi-unit residential facilities/buildings
- Office, retail, and other commercial establishments where the public is invited or permitted

Questions and discussion followed.

Rick Moorefield, County Attorney, advised the current ordinance simply prohibits the smoking of tobacco and does not regulate electronic cigarettes because electronic cigarettes are not cigarettes as contemplated by the ordinance, do not produce smoke, and do not combust tobacco. Mr. Moorefield stated he recommends that the enforcement provisions in Sections 9.5-95 and 9.5-96 be amended to clarify the amendment's authority and penalties. Mr. Moorefield stated the following amendments would accomplish management's recommendation to regulate electronic cigarettes and his recommendations to clarify the language in the enforcement authority and penalties provisions:

AN ORDINANCE OF THE CUMBERLAND COUNTY BOARD OF COMMISSIONERS AMENDING CHAPTER 9.5, ARTICLE III, SMOKING, OF THE CUMBERLAND COUNTY CODE

WHEREAS, Cumberland County adopted an ordinance regulating tobacco smoke in 1993; and

WHEREAS, Cumberland County's smoking ordinance was amended by actions taken by its Board of Commissioners May 6, 2013, and March 17, 2014; and

WHEREAS, the Board of Commissioners finds that electronic cigarettes, also referred to as E-cigarettes, and other devices used as systems for the delivery of nicotine are now being used as substitutes for cigarettes and other devices for smoking tobacco; and

WHEREAS, these devices for the delivery of nicotine are not regulated by the County's smoking ordinance as amended through March 17, 2014; and

WHEREAS, the Board of Commissioners finds that use of these devices for the delivery of nicotine within public buildings and grounds has become an annoyance, a nuisance, and a health concern to the employees working within these public buildings and the citizens conducting business in these public buildings much as secondhand tobacco smoke did before smoking was prohibited; and

WHEREAS, the Board of Commissioners finds the further amendment of the County's smoking ordinance to regulate the use of electronic cigarettes and similar devices for the delivery of nicotine within public buildings and upon the grounds of public buildings, to be in the public interest and to promote health, safety and welfare.

DRAFT

NOW THEREFORE BE IT ORDAINED by the Cumberland County Board of Commissioners that:

Chapter 9.5, Article III, Smoking, of the Cumberland County Code is hereby designated as Chapter 9.5, Article IIIA, Smoking, of the Cumberland County Code.

The existing language in Section 9.5-90 of Chapter 9.5, Article III (now IIIA), Smoking, of the Cumberland County Code is designated as subsection "a" and subsection "b" is added to this section to read as follows:

(b) The Board of County Commissioners further finds that the increasing use of electronic cigarettes, also known as E-cigarettes, within public buildings and upon the grounds of public buildings has become an annoyance, a nuisance, and a health concern to the employees working within these public buildings and the citizens conducting business in these public buildings much as secondhand tobacco smoke did before smoking was prohibited by this article. The further purpose and intent of this article is to promote the public health, safety and general welfare by prohibiting the use of electronic cigarettes and similar nicotine delivery devices to the same extent that cigarettes and devices for smoking tobacco are prohibited.

Section 9.5-91 of Chapter 9.5, Article III (now IIIA), Smoking, of the Cumberland County Code is hereby amended by adding the following to the definition of *smoke or smoking*:

(4) The use of any electronic cigarette, E-cigarette or any device for the delivery of nicotine through a vaporization process with or without the combustion of any plant material, and with or without the emission of any smoke or vapor.

Subsection 9.5-95(b) of Chapter 9.5, Article III (now IIIA), Smoking, of the Cumberland County Code is hereby amended to read as follows:

(b) The person in charge of any area where smoking is prohibited by this article, or the designee of such person, shall direct a person who is smoking to cease and, if the person does not comply, shall contact the enforcement officer for the County. The enforcement officer shall be designated by the Board of County Commissioners.

Section 9.5-96 of Chapter 9.5, Article III (now IIIA), Smoking, of the Cumberland County Code is hereby amended to read as follows:

(a) *Penalty for Violation.* Following a directive to cease smoking issued by any deputy sheriff or any person duly authorized pursuant to

DRAFT

subsection 9.5-95(b) of this article, failure to cease smoking constitutes an infraction punishable by a fine of not more than fifty dollars (\$50).

(b) *Enforcement.* The designated enforcement officer or deputy sheriff shall cause a citation to be served upon the violator stating the nature of the violation, the amount of the penalty, and directing that the violator shall pay the penalty to the County tax collector's office within fourteen (14) days of receipt of the citation. If the violator does not pay the penalty as directed, the violation shall be prosecuted as an infraction in accordance with G.S. § 130A-498(c1).

(c) *Additional sanctions for employees.* In addition to any other penalty under subsection (a), employees of the County who violate this article shall be subject to disciplinary action in accordance with the County's Personnel Ordinance and policies.

Section 9.5-98 of Chapter 9.5, Article III (now IIIA), Smoking, of the Cumberland County Code is hereby amended to read as follows:

This article as amended by action of the Board of Commissioners shall be effective upon adoption of the amendments.

In response to questions posed by Committee members, Mr. Moorefield advised the prohibition on electronic cigarettes could be applied only within county buildings.

After further discussion, consensus of the Policy Committee was to wait for further information and clarification of the recommendations as part of a more comprehensive review of the ordinance.

4. CONSIDERATION OF NCACC LEGISLATIVE GOALS RECOMMENDATIONS

BACKGROUND:

The North Carolina Association of County Commissioners (NCACC) has outlined its state legislative goals development process for the 2015-2016 biennial sessions and set a September 19, 2014, deadline for counties to submit their legislative proposals to the association for consideration.

As part of Cumberland County's process, we asked the Leadership Team to submit their recommendations and have compiled the attached list for your consideration. Your recommended goals will go to the full Board of Commissioners for approval at the September 15, 2014 meeting.

DRAFT

RECOMMENDATION/PROPOSED ACTION:

Consider the goals as recorded and make a recommendation to the full Board of Commissioners for approval of the County's state legislative goals to be forwarded to the NCACC by the September 19, 2014 deadline.

Sally Shutt, Governmental Affairs Officer, reviewed the background information and recommendation as recorded above and responded to questions. Ms. Shutt then presented the following proposed goals:

Child Support Goals - (Submitted by Child Support Director Austin Keating)

- Oppose the state retaining a portion of the federal Child Support incentive money that has been going to counties. The General Assembly has a section titled Program Evaluation Division, which released Report Number 2014-08 on July 16, 2014, titled "Revising State Child Support Incentive System Could Promote Improved Performance of County Programs." The report recommends the General Assembly do the following:
- Direct the CSS State Office to retain 25 percent of federal incentive money to:
 - Improve centralized services
 - Provide employee incentive bonuses
- Direct counties to:
 - Report how incentive payments are being reinvested based on guidelines from the CSS State Office
 - Maintain county expenditures for child support services

If the State Office of Child Support retains 25 percent of incentives from the federal government that currently go to the counties, this will put added cost back on the county. Reinvesting federal incentives is not an issue for counties that have out-of-pocket expenses to operate their Child Support programs.

Department of Public Health Goals - (Submitted by Health Director Buck Wilson)

- Restore State support for accreditation program for local health departments:
 - NCG.S. 130A-34.1 requires all local health departments to obtain and maintain accreditation in accordance with this section. Local county health departments must pay \$2,750 per year. Health Departments had to receive initial accreditation by December 31, 2014, and must maintain accreditation every four years.
- Oppose weakening of smoke-free restaurant and bars law. This was included in last year's NCACC goals and continues to be an important public health issue.
- Support raising the state tax on tobacco, including electronic cigarettes to the national average. It is proven that increasing state tax on tobacco results in less children smoking. Additional tax dollars are assigned to the state of North Carolina in which the legislators will decide how to utilize the increased revenue.
- Support using Tobacco Master Settlement funds for public health to provide evidence-based tobacco prevention and cessation programs.

DRAFT

- Prioritize sustainability of State Local Aid to County funds for Local Health Departments. The Local Aid to county funding is the only non-categorical allocation by the state to local health departments. This flexible funding is intended to address locally identified gaps in services and community needs. Cumberland County Department of Public Health receives \$233,180 of State Local Aid to County funds. Examples of how these funds are used for include:
 - Environmental Health Specialists, which are required positions
 - Additional training for staff
 - Mobilize community partnerships to identify and solve health problems
 - Monitor health status to identify health problems

Department of Social Services Goal: *(Submitted by Social Services Director Brenda Jackson)*

- Rescind the 10 percent increase in co-payments for all households receiving childcare subsidies and restore the proration of child care subsidy co-payments.
 - With 10 percent increase in co-payments presents a financial hardship for parents and caregivers, which could prevent children from receiving childcare subsidies. The impact could lead to lack of proper supervision of children, an increase in latch key children and a reduction in early education opportunities for children, which also increases incidents of child neglect.

Mental Health Goal: *(Submitted by Commissioner Kenneth Edge)*

- Support the public behavioral health managed care organization model currently in place.
 - As the General Assembly considers options for reshaping the state's Medicaid system, it is in the best interest to maintain the current MCO model. The LME/MCO's across the state are proving to be highly effective in responding to their mandates to ensure high-quality services while containing costs. This has produced Medicaid budget predictability on the behavioral health side and \$153 million in system savings since the implementation of MCO operations statewide.

Library Goals: *(Submitted by Library Director Jody Risacher)*

- Restore funding to State Aid to Public Libraries Fund to the pre-2011 level of \$15.7 million; and eliminate special provisions that distribute State Aid outside of the equitable formula developed by the State Library Commission.
 - Public libraries are critical contributors to local workforce development by providing access to computers, job search assistance, small business support, and help with educational goals. Free early literacy programs and materials ensure that all children can attain the skills needed for success in the formal classroom. Summer activities counter the "summer slide" during which school-age children lose reading skills. Public libraries are integral to our communities as centers of lifelong learning accessible to all citizens.

DRAFT

- Support for public libraries is a matter of state policy as described in GS125-7. The State Aid fund supplements, but does not replace, local funding and is distributed to the 80 library systems by a population and per capita income based formula developed by the State Library Commission. As such, State Aid is a critical component of each library's operating budget, especially for regional library systems that serve multi-county areas.
- The state budget includes the following –
 - Cap Grants from State Aid to Libraries Fund Section 19.2 the Department of Cultural Resources shall not allocate a grant to any municipal or single-county library from the Aid to Public Libraries Fund that exceeds four hundred thousand dollars (\$400,000) for the 2014-2015 fiscal years.

MOTION: Commissioner Keefe moved to recommend to the full board consideration of approval of the County's state legislative goals to be forwarded to the NCACC by the September 19, 2014, deadline.

CHILD SUPPORT GOAL *(submitted by Child Support Director Austin Keating)*

Oppose the state retaining a portion of the federal Child Support incentive money that has been going to counties.

The General Assembly has a section titled Program Evaluation Division, which released Report Number 2014-08 on July 16, 2014, titled "Revising State Child Support Incentive System Could Promote Improved Performance of County Programs." The report recommends the General Assembly do the following:

- Direct the CSS State Office to retain 25 percent of federal incentive money to:
 - o improve centralized services
 - o provide employee incentive bonuses
- Direct counties to:
 - o report how incentive payments are being reinvested based on guidelines from the CSS State Office
 - o maintain county expenditures for child support services

If the State Office of Child Support retains 25 percent of incentives from the federal government that currently go to the counties, this will put added cost back on the county.

Reinvesting federal incentives is not an issue for counties that have out-of-pocket expenses to operate their Child Support programs.

MINUTES OF AUGUST 19, 2014

1st MOTION

The Planning and Inspections Staff recommends the board find that approval of the request for rezoning in Case No. P14-41 is generally consistent with the adopted comprehensive plan designated as the *2030 Growth Vision Plan*, which calls for "urban" and "conservation" at this location because the district requested will allow for single and multi-family dwelling units and a limited amount of neighborhood oriented non-residential uses on relatively large lots for an urban

area; as well as meeting the location criteria for "suburban density residential" development as listed in the Land Use Policies Plan. Although the request is not entirely consistent with the Spring Lake Area Detailed Land Use Plan, which calls for "low density residential" at this location, the district requested is consistent with the zoning of the immediate adjacent properties.

The staff also recommends that the board further find that approval of this request for rezoning is reasonable and in the public interest because the district requested will prevent the overcrowding of the property and lessen congestion in the streets in an area prone to congestion, the uses allowed will be the same as or comparable to those uses allowed on the immediate adjacent properties

2nd MOTION

In addition to the above information, the Planning and Inspections Staff recommends the board approve Case No. P14-41 for RR Rural Residential zoning based on the following:

- The requested district would be a logical extension of adjacent residentially zoned property under the same ownership.

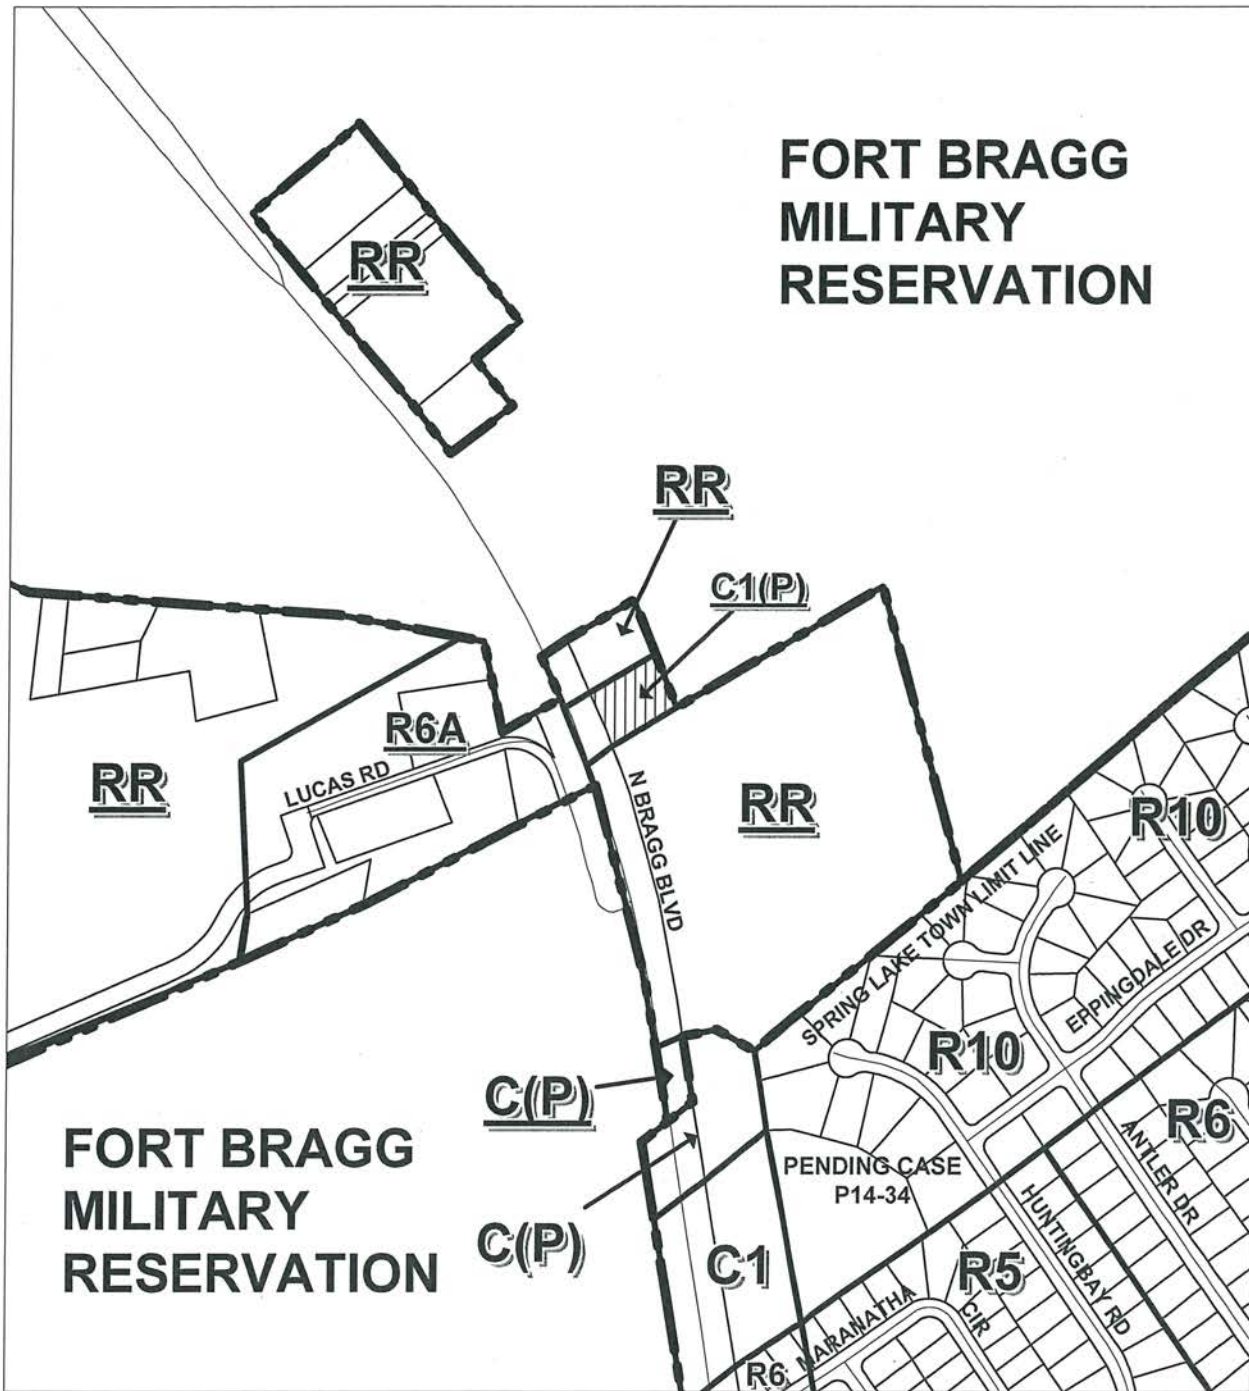

There are no other districts considered suitable for this request.

Mr. Clark made motions to recommend the approval and adoption of the consistency and reasonableness statements; and to approve RR Rural Residential district, seconded by Mrs. Wheatley. The motions passed with a unanimous vote.

MINUTES OF AUGUST 19, 2014

1st MOTION

The Planning and Inspections Staff recommends the board find that approval of the request for rezoning in Case No. P14-42 is consistent with the adopted comprehensive plan designated as the 2030 Growth Vision Plan because the Plan calls for "rural" development at this location requiring large lot with a limited type of non-residential uses such as those allowed in the A1 district, and the request meets the location criteria for "rural density residential" as listed in the Land Use Policies Plan.

The staff also recommends the board further find that approval of this request for rezoning is reasonable and in the public interest because, if approved, the requested district will allow for lot sizes and uses comparable to those in the surrounding area.

2nd MOTION

In addition to the above information, the Planning and Inspections Staff recommends the board approve Case No. P14-42 for A1 Agricultural based on the following:

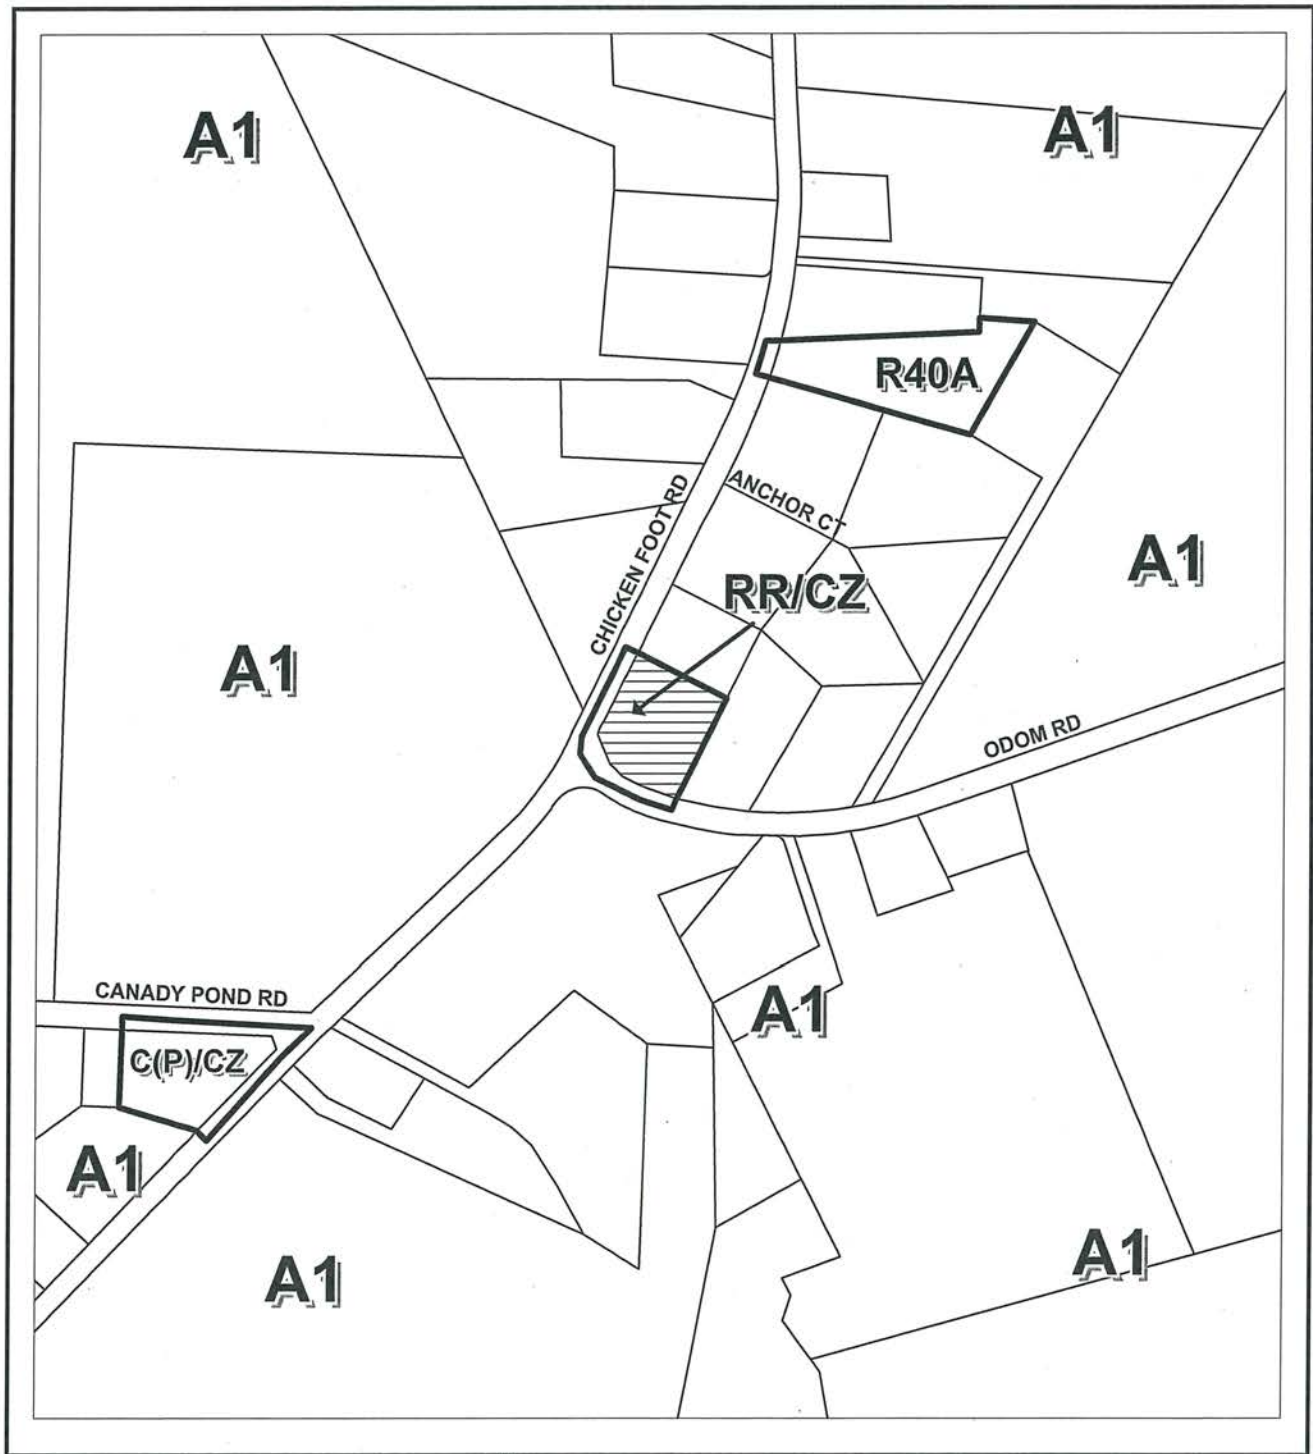

1. If approved, the rezoning would remove the conditional zoning district allowing for a sweepstakes/internet café which is no longer in operation at this site; and
2. The requested district will allow for the re-use of the existing non-residential structure in a manner consistent with uses that are currently allowed on the surrounding properties.

There are no other districts considered suitable for this request.

Mr. Clark made motions to recommend the approval and adoption of the consistency and reasonableness statements; and to approve A1 Agricultural district, seconded by Mrs. Wheatley. The motions passed with a unanimous vote.

MINUTES OF AUGUST 19, 2014

Mr. Lloyd presented the case information and photos.

1st MOTION

The Planning and Inspections Staff recommends the board find that approval of the request for rezoning in Case No. P14-40 is generally consistent with the adopted comprehensive plan designated as the *2030 Growth Vision Plan*, which calls for "urban" and "conservation" at this location because the district requested will allow for limited amount of neighborhood oriented non-

residential uses on relatively large lots for an urban area; as well as meeting the location criteria for "office and institutional" development as listed in the Land Use Policies Plan. Although the request is not entirely consistent with the Southwest Cumberland Land Use Plan Map, which calls for "low density residential" and "open space" at this location, the general area already contains several non-residential uses and will likely trend to more non-residential uses given the recent improvements to Cameron Road and recent rezonings.

The staff also recommends that the board further find that approval of this request for rezoning is reasonable and in the public interest because the district requested will allow for uses the same as or comparable to those uses occurring on the immediate adjacent properties

2nd MOTION

In addition to the above information, the Planning and Inspections Staff recommends the board approve Case No. P14-40 for O&I(P) Planned Office and Institutional and CD Conservancy District where the Special Flood Hazard Area (SFHA) exists:

- The request is logical as the subject property is located between Cameron Road and US Hwy 301 which may not be appropriate for residential uses.

The applicant has verbally agreed with the staff recommendation. There are no other districts considered suitable for this request.

There were people present to speak in favor and in opposition.

Public hearing opened.

Mr. Tim Evans, the applicant, spoke in favor. Mr. Evans gave a brief history of the subject property and his reasons for purchasing the property.

Ms. Brenda Cameron spoke in opposition. Ms. Cameron stated that she was a committee member of the Southwest Cumberland Land Use Plan and a friend of Tim Evans, but was opposed to the rezoning of the subject property from residential district to Office & Industrial district. During the meetings for the Southwest Cumberland Plan it was recommended that the area remain residential, low density, and open space. Ms. Cameron stated that she disagreed with the staff recommendation as far as rezoning options are concerned. Ms. Cameron stated that she was concerned about if the property was ever sold, the possible uses that could encroach on the area. Ms. Cameron asked the board to consider leaving the zoning as it currently is.

Mr. Morris advised Ms. Cameron that the current zoning of R10 would allow for twenty one lots to be placed on the subject property. So the board looks at how the use will be compatible in the future.

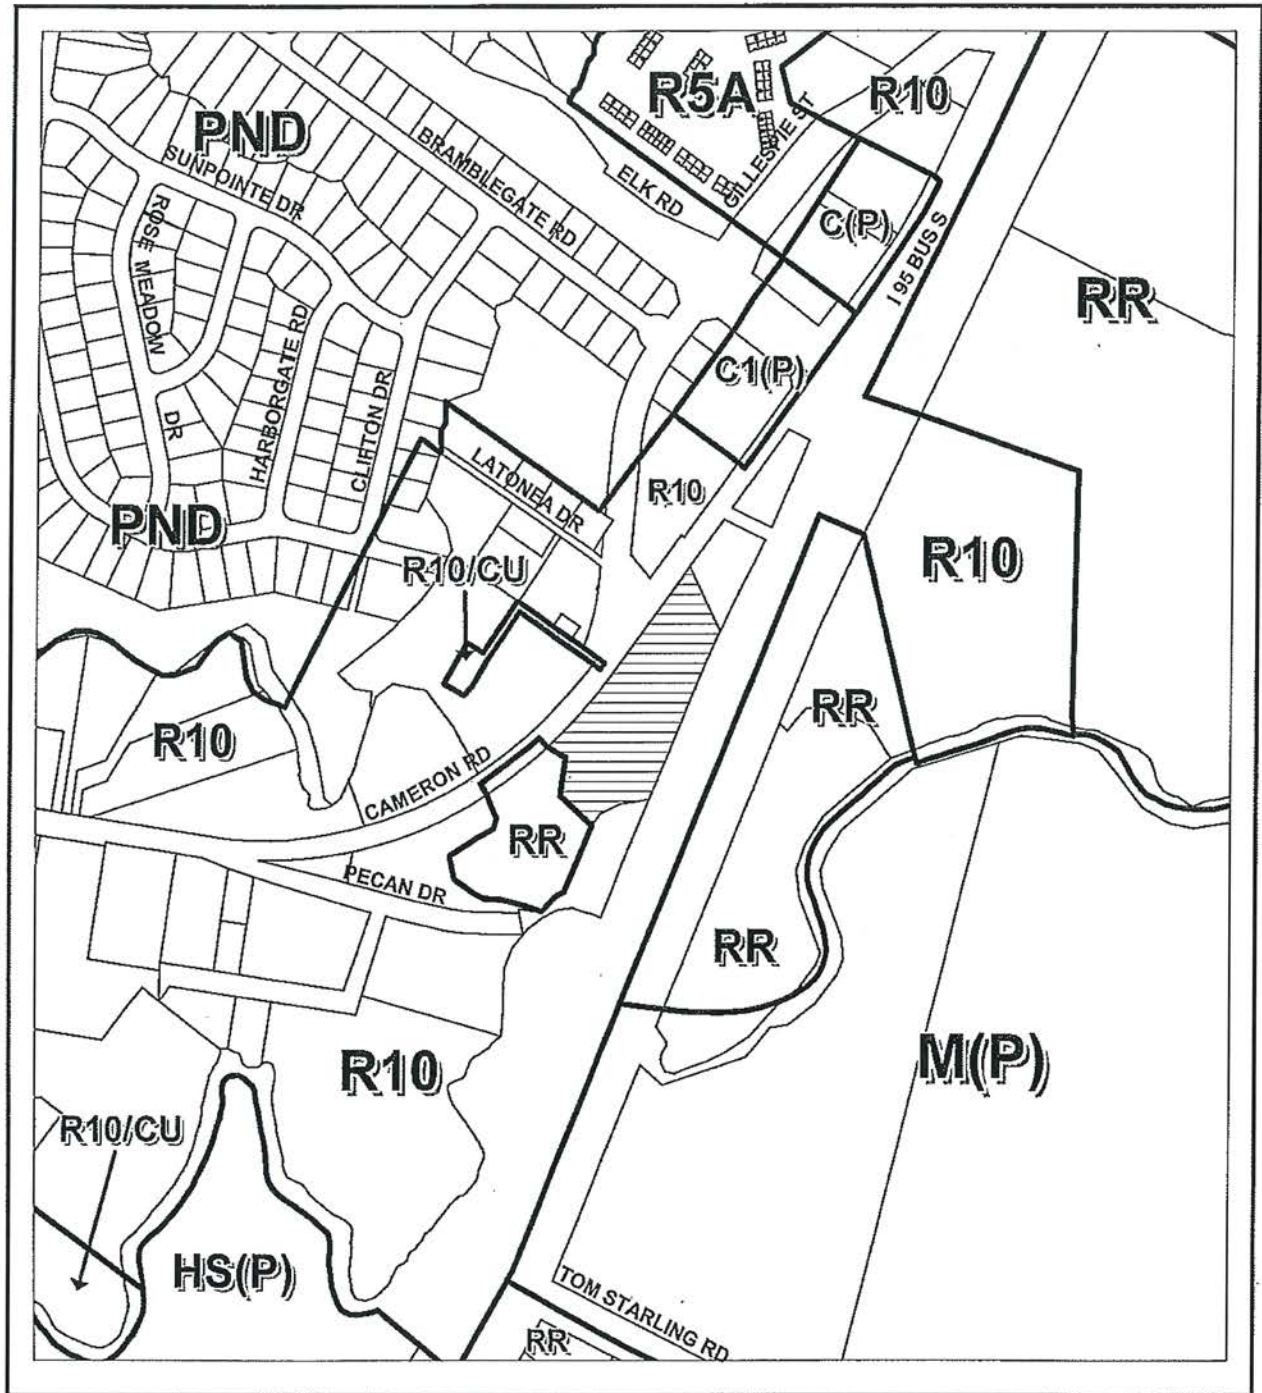

Public hearing closed.

Mr. Morris made motions to recommend the approval and adoption of the consistency and reasonableness statements; and to approve O&I(P) Planned Office and Institutional and CD Conservancy District where the Special Flood Hazard Area (SFHA) exists, seconded by Mr. Pearce. The motions passed with Chair Hall voting in opposition.

COMMUNITY DEVELOPMENT

MEMORANDUM FOR BOARD OF COMMISSIONERS AGENDA OF SEPTEMBER 15, 2014

TO: BOARD OF COUNTY COMMISSIONERS

FROM: SYLVIA H-McLEAN, COMMUNITY DEVELOPMENT DIRECTOR *S.H. McLean*

THRU: AMY H. CANNON, COUNTY MANAGER *AH*

DATE: SEPTEMBER 4, 2014

SUBJECT: PUBLIC HEARING ON THE COMMUNITY DEVELOPMENT PROGRAM
YEAR 2013 CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION
REPORT (CAPER)

BACKGROUND

Attached is an abbreviated version of the draft CAPER for the 2013 Program Year (PY2013) prepared by Community Development. This document is available for public review and comment during the period September 2, 2014 through September 16, 2014. Copies of the abbreviated version have been distributed to several locations throughout the County in compliance with our Citizen Participation Plan (see Exhibit 2 – Public Notice). The final CAPER is due to HUD by September 29, 2014, and will be available in the County Commissioners office and at the Community Development office beginning September 26, 2014.

The PY2013 CAPER details program accomplishments and an assessment of our efforts in meeting the goals and objectives set forth in our Annual Action Plan for the period July 1, 2013 through June 30, 2014. Performance reporting meets three basic purposes: 1) It provides HUD with necessary information for the Department to meet its statutory requirements to assess each grantee's ability to carry out relevant community development programs in compliance with all applicable rules and regulations; 2) It provides information necessary for HUD's Annual Report to Congress, also statutorily mandated; and 3) It provides grantees an opportunity to describe to citizens their successes in revitalizing deteriorated communities and meeting objectives outlined in their Consolidated Plan. This reporting tool assures that citizens, community groups, and other interested stakeholders in the community planning process are accurately informed of the use of these federal funds.

RECOMMENDATION AND PROPOSED ACTION

1. Receive the presentation on the Consolidated Annual Performance and Evaluation Report (CAPER).
2. Conduct the Public Hearing on the Program Year 2013 CAPER. No other action is necessary.

- Principally benefit low and moderate income persons;
- Aid in the elimination of slum and blight; or
- Meet community development needs having a particular urgency.

Executive Summary (Cont'd)

HOME INVESTMENT PARTNERSHIP ACT

The Home Investment Partnership Act Program (HOME) is used to expand the supply, availability and affordability of decent, safe, and sanitary housing serving citizens who are 80% and below the area median income. The median income for a family of 4 in Cumberland County for PY 2013 was \$52,800.

CONTINUUM OF CARE PROGRAM

Funds provided through the Continuum of Care program are awarded on a competitive basis for a one year grant term. The purpose of CoC funding is to assist homeless persons in the transition from homelessness to permanent housing and to enable them to live as independently as possible.

EMERGENCY SOLUTIONS GRANT

The Emergency Solutions Grant (ESG) is awarded on a competitive basis for a one year grant term. The purpose of the ESG program is to assist homeless persons to transition from homelessness to permanent housing and to assist those persons at risk of becoming homeless to remain in permanent housing. Priority for the Cumberland County community is to provide assistance through the homeless prevention and rapid re-housing activities.

PROJECTS FOR ASSISTANCE TO TRANSITION FROM HOMELESSNESS

The Projects for Assistance to Transition from Homelessness (PATH) program is awarded to Alliance Behavioral Healthcare through the State and administered by CCCD for a one year grant term through SAMHSA. The PATH program provide housing assistance and supportive services for individuals experiencing homelessness who also have a serious mental illness or mental illness coupled with a substance abuse disorder.

URGENT REPAIR PROGRAM

This Program Year, Cumberland County Community Development received funds from the NCHFA through the Urgent Repair Program to address emergency repairs for homeowners and homeowners with special needs whose incomes are at or below 50% of the median income.

PRIORITY NEEDS IN CUMBERLAND COUNTY

Every five years, CCCD must prepare a Consolidated Plan to identify the priority needs in Cumberland County and develop strategies that will be implemented to address those needs. The 2013 Program Year marked the 4th year of the most recent Consolidated Plan. In order to identify the needs of the community, citizens were encouraged to participate by attending community meetings and completing surveys that were distributed throughout Cumberland County. CCCD also consulted with local officials and agencies to assess the needs of the community. Based on the data received from these sources, the following were identified as priority needs in Cumberland County (in no order of preference):

- Affordable housing;
- Employment Services/Job Training;
- Human Services (specifically health care and homeless services);
- Services for the Disabled; and
- Public Facilities / Infrastructure.

With the combined funded sources and through continued partnership of community groups, nonprofit agencies, and other units of local government, CCCD will continue to use these funds to meet the needs of the community and improve the quality of life for the low and moderate income citizens of Cumberland County.

Owner-Occupied

The Homeowner Rehabilitation Program addresses homes that do not meet minimum housing code standards. Examples of the type of repairs that would qualify are plumbing, electrical, insulation, painting, and siding. Assistance is provided in the form of a deferred loan. A total of \$414,224 was expended for PY 2013 to assist 17 owner-occupied homeowners with needed repairs. Four households were assisted with accessibility repairs for elderly/disabled homeowners.

Assistance up to \$7,500 is available for housing repair projects that address households with immediate health or safety risks. A total of \$80,444 was expended to assist 14 homeowners with emergency repairs. Examples of the types of repairs that would qualify are faulty electrical systems that would lead to fire hazards, constructing a ramp that would make the home accessible for the disabled, and plumbing problems that could create an unsafe living environment for the occupants. One household was assisted with accessibility repairs for elderly/disabled homeowner.

Investor-Owner

The Rental Rehabilitation Program provides assistance to investors to acquire and repair units that will be leased to tenants earning 80% and below the area median income.

For the PY 2013, \$45,781 was expended to assist 1 investor - owner property with acquisition/rehabilitation to serve 1 low to moderate income household.

Urgent Repair Program (URP)

With funding from the NCHFA, Cumberland County Community Development provided emergency repairs for households earning 50% and below the area median income. A total of 7 households were assisted through URP with expenditures totaling \$32,291.

Before Rehab

After Rehab

Housing Programs (Cont'd)

HOME BUYER PROGRAM

The Homebuyer Assistance Program facilitates homeownership for low to moderate income households in Cumberland County. Loans up to \$5,000 are provided for down payment and/or closing cost assistance. Another form of loan, GAP financing, pays the difference between the purchase price of the home and what the lending institution approves for the applicant. The amount of assistance that can be provided is up to \$20,000—for a maximum of \$25,000 per applicant. Funding for these programs are provided through the use of Community Development Block Grant (CDBG) and HOME Investment Partnership Act (HOME). Potential homebuyers received training through the First Time Home Buyer's class as the first step towards preparing them for homeownership. There were no funds expended for the PY2013 through the Home Buyer Program.

COMMUNITY HOUSING DEVELOPMENT ORGANIZATIONS

Regulations require that 15% of the County's HOME Investment Partnership Act (HOME) funds be designated for use by nonprofit organizations in the development and promotion of affordable housing—rental and homeownership. Once certain qualifying criteria are met, these organizations are designated as Community Housing Development Organizations or CHDOs.

Upon completion, this site will consist of approximately 28 affordable housing units.

Fair Housing Program

The goal of the Fair Housing Program is to promote, market, and encourage equal access to housing and housing related transactions regardless of race, color, national origin, religion, sex, familial status or handicap. In the past program year, Cumberland County has partnered with several organizations to include: The Fair Housing Project - Legal Aid of NC, The Fayetteville-Cumberland Human Relations Department and the Fayetteville-Cumberland Advisory Council for People with Disabilities to provide Fair Housing education and outreach county-wide. During PY 2013, the following activities were undertaken:

Summary of actions to affirmatively further fair housing

- Produced (1) public service article on fair housing awareness
- Facilitated (3) community meetings to dialogue on fair housing issues
- Partnered with (3) local organizations to provide education and awareness to equal access to housing
- Conducted (1) fair housing educational and awareness workshop to provide fair housing training to (45) people in attendance
- Distributed (955) pieces of literature referencing equal housing rights issues in English and Spanish

Homeless Activities

CCCD serves as a member of the Cumberland County Continuum of Care (CoC) on Homelessness to assist with planning and implementing homeless activities. The CoC continues to implement activities developed in an Action Plan which provides a detailed strategic plan and action steps to be taken towards improving the CoC's performance in addressing the issues affecting the homeless community. The Action Plan lists the following strategies:

1. Develop a discharge plan to ensure that persons being released from public institutions (corrections, mental health, health care, and foster care systems) are able to reintegrate into society and not end up homeless;
2. Develop a centralized or unified service intake process for persons experiencing a housing crisis to access needed housing and supportive services from multiple agencies;
3. Identify an affordable housing database system that can be used to assist with housing search/placement and other housing issues;
4. Increase the supply of affordable permanent housing or rapid re-housing;
5. Increase the supply of permanent housing units for chronically homeless individuals and families;
6. Expand community outreach efforts to reach various groups;
7. Develop a better process for evaluating the performance of HUD funded CoC projects;
8. Revise the CoC's 10 Year Plan to End Homelessness to include updated information related to the HEARTH Act and the Federal Strategic Plan;
9. Develop a detailed CoC policy and procedure;
10. Establish a process for improving data quality and management of the Homeless Management Information System (HMIS); and
11. Increase HMIS participation among providers in the community to better monitor homelessness in the community and to ensure all beds/units are represented.

Homeless Activities (Cont'd)

CONTINUUM OF CARE HOMELESS PROGRAM

Since 1995, CCCD and other service agencies have worked collaboratively to create an array of housing options and services to support the homeless. The CoC is the leading entity in this movement. The ultimate goal is to have a seamless system that provides the services needed to move a person from homelessness into permanent housing.

During the PY 2013, CCCD administered the Robin's Meadow Transitional Housing Program in partnership with the Fayetteville Metropolitan Housing Authority providing the day-to-day management, support services, and operations as the project sponsor. In addition, CCCD also administers the Safe Homes for New Beginnings Permanent Housing Program.

The ESG program focuses on providing emergency assistance to persons who are literally homeless or at-risk of being homeless. For the PY 2013, CCCD expended \$176,255. PROJECTS FOR ASSISTANCE IN TRANSITION FROM HOMELESSNESS

CCCD served as a contracted provider for the Projects for Assistance in Transition from Homelessness (PATH) program. The PATH program is a component of the Substance Abuse and Mental Health Services Administration (SAMHSA) which provides assistance to persons who are experiencing homelessness or who are at risk of becoming homeless and who are experiencing serious mental illness including those with co-occurring substance use disorders. The PATH team consists of four staff members which includes two (2) Social Workers, one (1) SOAR Benefits Specialist, and a Peer Support Specialist. The PATH program provides outreach and case management services to connect eligible clients to other services in the community such as mental health counseling, health care services, job training, educational services, and housing. For the PY 2013, CCCD expended \$274,512 and outreached a total of 443 persons of which 268 were enrolled in the PATH program.

Homeless Activities (Cont'd)

The CoC partnered with the Fayetteville Veterans Medical Center to host the Community Homeless Stand Down event July 24-25, 2014 at Festival Park, Fayetteville, NC. The event was organized by community members, service providers, and persons who have experienced homelessness. The committee was utilized to report on successes, identify needs, identify barriers, problem solve, and mobilize. The event seeks to accomplish the following for our homeless community:

- offer a one stop location for homeless individuals and families or those who are at-risk of being homeless, to better access services meeting their basic needs.
- connect public/private agencies, volunteers, and sponsors who work together to address the needs of the homeless community.
- make the community more aware of the needs of the homeless population.

This year, over 50 public and private agencies participated in the event offering services such as health screenings, mental health services, veterans' services, legal services, employment and education resources, housing resources, personal grooming services, and more. Fayetteville Community Development covered the cost of transportation to and from the event through the Fayetteville Area System of Transit.

On day one of the event, approximately 463 individuals attended the event and on day two, approximately 476 attended the event. Guests visited various stations for services and appointments. Upon departure, each guest received other necessities provided through donations collected from the community.

Public Services / Public Facilities

Fifteen percent of CDBG funds can be designated to assist with the start-up or expansion of programs provided by non-profit agencies (or units of local government under certain conditions) in the County. Eligible activities include the provision of job training, healthcare services, mental health services, transportation, or other services identified in CCCD's Consolidated Plan. The activities funded must address at least one of the three CDBG national objectives.

The following agencies provided services to improve the quality of life for 743 County residents during the PY 2013:

P.O. Box 1829
Fayetteville, NC 28302-1829

Dear Ms. Beam:

On behalf of Dr. Keen, David McCune, and the Workforce Development Board (WDB), and as Chair of the Marketing/Bylaws/Nominations Sub-Committee of the WDB, I request that you notify the Board of Commissioners of the recommendation to appoint Linda Hoppmann and Esther Acker for a third term on the WDB.

Both Ms. Hoppmann and Ms. Acker have been exceptionally active on the WDB, and both hold the position of Chair for respective sub-committees (Business & Finance for Ms. Hoppmann and Program Activities & Community Relations for Ms. Acker). With Ms. Acker's and Ms. Hoppmann's second terms expiring in October 2014 and November 2014, respectively, we believe that it is for the betterment of the WDB and Cumberland County for their tenures to be extended for an additional term. Should you have any questions, please contact me at 410 Ray Ave, Fayetteville, NC 28301 or via email at sthom7979@aol.com.

Sincerely,

Esther Thompson

Thanks, Kellie! That's great!

Please forward the request for reappointment for David McCune, Randall Newcomer, and Esther Thompson.

We are in the process of recruiting for the vacant positions (including J. Carl Manning) and exiting members. I will request an updated applicant list soon (I have been referring potential candidates to submit an application) so that the recommendation letters can be drafted.

Thank you again for all your help. Please let me know if anything needs to be clarified.

Subject: Re-appointment of Chris Mitchell

Ms. Beam,

I am writing you in reference to the re-appointment of Mr. Chris Mitchell. Chris is valuable team member, he serves in the capacity of the Chairman of the Appearance Awards Program sub-committee. With this committee we are attempting to get the process more streamlined so in the future it will just be a small function of this committee. As it stands now we need keep Mr. Mitchell in this capacity to see this project thru. Of the boards that I have served on, I have never seen such enthusiasm and passion to serve as Mr. Mitchell. As a board the JAC is humbly requesting that Mr. Mitchell be re-appointed for another term on the JAC. It will be doing our community a disservice if he is not re-appointed.

Thank you,
Johnny Lanthorn
Chairman JAC

Cumberland County Board of Commissioners
ATTN: Clerk to the Board, Candice White
PO Box 1829
Fayetteville, NC 28302

Dear Ms. White,

On 18 August 2014, the Westarea Volunteer Fire Department (WFD) submitted the NC Rural Fire District Report of Fire Conditions to the Emergency Services Department, 131 Dick Street, Room 114, Fayetteville, NC 28301. When the report was submitted by Lieutenant Joseph Ward, WFD, it was accurate and complete.

Firefighter Jean Marie R.B. Ward currently occupies a position on the Firemen's Relief Fund Board as a trustee appointed by the Cumberland County Commissioners.

In accordance with N.C.G.S 58-84-30(2), her two year term has expired and I wish to replace Firefighter Jean Marie R.B. Ward and recommend Firefighter Frank L. Ramey.

Recommend positive consideration for this action at your earliest convinces.

Very respectfully,

Robert Godwin
Fire Chief
Westarea Volunteer Fire Department

§ 58-84-30. Trustees appointed; organization.

For each county, town or city complying with and deriving benefits from the provisions of this Article, there shall be appointed a local board of trustees, known as the trustees of the Firefighters' Relief Fund, to be composed of five members, two of whom shall be elected by the members of the local fire department who are qualified as beneficiaries of such fund, two of whom shall be elected by the mayor and board of aldermen or other local governing body, and one of whom shall be named by the Commissioner of Insurance. Their selection and term of office shall be as follows:

- (1) The members of the fire department shall hold an election each January to elect their representatives to above board. In January 1950, the firefighters shall elect one member to serve for two years and one member to serve for one year, then each year in January thereafter, they shall elect only one member and his term of office shall be for two years. Members elected pursuant to this section shall be either (i) residents of the fire district or (ii) active or retired members of the fire department.
- (2) The mayor and board of aldermen or other local governing body shall appoint, in January 1950, two representatives to above board, one to hold office for two years and one to hold office for one year, and each year in January thereafter they shall appoint only one representative and his term of office shall be for two years. Members appointed pursuant to this section shall be residents of the fire district.
- (3) The Commissioner of Insurance shall appoint one representative to serve as trustee and he shall serve at the pleasure of the Commissioner. The member appointed pursuant to this section shall be either (i) a resident of the fire district or (ii) an active or retired member of the fire department.

All of the above trustees shall hold office for their elected or appointed time, or until their successors are elected or appointed, and shall serve without pay for their services. They shall immediately after election and appointment organize by electing from their members a chairman and a secretary and treasurer, which two last positions may be held by the same person. The treasurer of said board of trustees shall give a good and sufficient surety bond in a sum equal to the amount of moneys in his hand, to be approved by the Commissioner of Insurance. The cost of this bond may be deducted by the Insurance Commissioner from the receipts collected pursuant to G.S. 58-84-10 before distribution is made to local relief funds. If the chief or chiefs of the local fire departments are not named on the board of trustees as above provided, then they shall serve as ex officio members without privilege of voting on matters before the board.
